Officer Quits In Jury Probe

Sheriff's Inspector Richard J. Argento, 40, who was questioned by the county grand jury last week in connection with the Anita Venza abortion case, resigned yesterday afternoon, stoutly denying he was ever involved in any way with the abortionist.

Several hours after the resignation, the grand jury wound up its investigation and decided there would be no indictment issued. In effect, this cleared Argento of any allegations that he had been involved with the abortion case or with an alleged tipoff before Mrs. Venza's home was raided by Belvedere police and a district attorney's inspector.

LETTER TO SHERIFF

However, Grand Jury Foreman William L. Hughes drafted a short letter to Sheriff Louis P. Mountanos to be placed in the sheriff's confidential files.

Foreman Hughes did not reveal the contents of the letter, but it was learned that it constituted a censure of the inspector's personal activities.

Among 10 witnesses who appeared before the grand jury last night were several Marin businessmen who had business dealings with Inspector Argento.

Allegations of a "tipoff" and "involvement of a sheriff's inspector" are now closed, said Jury Foreman Hughes.

POSSIBLE PERJURY

The only thing now remaining out of the grand jury hearings on the case is the possibility that perjury may have been committed by one or more of the two dozen witnesses who have appeared before the jurors during the past two weeks.

Argento's letter of resignation reached the sheriff at 4:30 p.m. yesterday, three hours before the grand jury was to meet.

"It is with deep regret that I submit this letter of resignation to you," Argento wrote.

"The reason for my resignation is due to the embarrassment that has been brought on the department by unfavorable publicity.

"However, I would still like to take this opportunity to state that I am not involved with the Anita Venza abortion case nor was I involved in tipping off Anita Venza during the investigation."

Inspector Argento had been with the sheriff's department since October, 1956.

Directors Prepared For Authorization

Directors of the First National Bank and Bank of San Rafael were meeting this afternoon to authorize merger of the twin institutions with Crocker-Anglo National Bank.

The directors were prepared to sign authorization of the merger, subject to approval by vote of the stockholders and by the federal controller of the currency, it was learned reliably today.

The directors believe that owners of the necessary two-thirds of the stock are favorable to the merger terms.

Negotiations toward the merger were authorized by the San Rafael bank's directors last Oct. 20, after receipt of an offer from Crocker-Anglo to exchange two shares of its stock for each share of Bank of San Rafael or First National Bank stock.

HELD JOINTLY

Stock in Bank of San Rafael (state-chartered) and First National (federal-chartered) is all held jointly, with twin share certificates representing one share of stock in each institution. Under the merger terms, stockholders would receive four shares of Crocker-Anglo stock for each pair of shares. As stock in the local institutions is selling for $41 per share and that of Crocker-Anglo at $46, the exchange would thus represent slightly better than two-for-one in terms of money.

Subsequent to the offer from Crocker-Anglo, the San Rafael bank received a tentative offer to purchase its stock at $98 per share in cash. This offer failed to take definite form, however, according to officials of the local bank.

LEGAL FIRM

It was made by a legal firm which was reported to be acting in behalf of the California Bank, then in process of absorbing First Western Bank in another merger.

Directors of the twin banking institutions were expected to take three steps in the merger today: (1) sign the merger authorization; (2) set a date for a stockholders meeting to rati-

Ross Appoints Councilman, Elects Mayor

The Ross Town Council last night picked a new member to fill a vacancy, and elected a new mayor and vice mayor.

Russell G. Smith, of 81 Fern Hill Avenue, retired executive vice president of the Bank of America, was named to fill the vacancy on the council created by the death last month of Mayor Arthur Kanzee Jr.

The council, with T. Bruce Selfridge as acting mayor, voted Harry C. Scott of 50 Wellington Avenue, as the new mayor. Scott had been vice mayor.

The council then elected Selfridge as vice mayor.

Scott is a partner in the San Francisco law firm of Pillsbury, Madison and Sutro. He has served on the finance, police and general government committees of the town of

JOBLESS, WELFARE CASES RISE AGAIN

Insurance Claims, General Relief Increase Here During February

For the second successive month, February aggregated a record number of unemployment insurance claims in the San Rafael office of the California Department of Unemployment, it was disclosed today.

Another "highest ever" mark was set during February when 357 cases, involving payment of $55,655, were recorded by the Marin County Welfare Department in the category of aid to needy children. General relief cases also increased but totaled four cases fewer than last February.

Betty L. Presley, county welfare director, said even the record number of aid to needy children cases, "in relation to Marin County present population is below levels we used to have, as well as far below statewide level."

The unemployment record announced by manager E. W. Ayer was a total of 5,080 continued unemployment claims which he said was the highest his office ever had, compared with 4,417 during January.

New claims for unemployment benefits totaled 954 during February which, Ayer said. He called this "no improvement" from January 1,093 because January had three more days to receive filings.

Each "continued unemployment claim" covers a week of unemployment, so the 5,080 claims do not represent 5,080 persons out of work.

Ayer suggested that a single week gives a better picture and said that for the week ending last night, 1,234 claims were filed. This compares with 1,338 for the previous week, a drop of 104 or 7½ per cent apparently due to a period of fine weather which helped employment—primarily in construction.

Aid For Kids Of Jobless Passes House

WASHINGTON (AP) — The House today passed a 305-million-dollar aid bill for children of the unemployed. It was the second major measure in President John F. Kennedy's economic program to win House approval.

The bill, passed by voice vote, now goes to the Senate.

It would extend to children of the unemployed the federal-state benefits now available to children whose support is lacking because of death, disability or desertion of the parent.

As in those programs, the funds would be provided on a federal-state 60-40 matching formula.

Each state could choose to participate or not.

WAVERED ON LIE TEST

Minister, 32, Denies Part In Tam Slaying

Jesse J. Henry, 32, a Baptist minister who is headed for Thailand, denies he had anything to do with the killing of ex-Marine Jerry Sangster on Mount Tamalpais last month, Associated Press reported today from Manila.

The Philippine National Bureau of Investigation, which questioned Henry and searched his belongings, said Henry denies any knowledge of the slaying. However, Manila authorities indicated Henry had failed to pass a lie test concerning the crime.

Sheriff Louis P. Mountanos stressed that Henry is only one of several persons wanted for questioning in connection with the crime. Contrary to published reports, there is no evidence thus far that the minister was ever acquainted with Sangster, the sheriff declared.

Manila authorities have airmailed clothing and shoes which Henry had with him when he landed in the Philippines. The clothing, expected to reach Marin next week, will then be examined for clues in connection with the murdered man, whose nude body was found on Mount Tamalpais on Feb. 5.

Sheriff's officials said Henry's name was one of many which came up during the investigation.

The murdered man had placed advertisements in newspapers last December and January, seeking any type of "adventure" job. Inspectors said they learned Henry had answered at least two "adventure type" advertisements placed by other men, not Sangster.

The Marin sheriff said Henry left for Thailand, apparent-

San Rafael Councilman Named To Smog Board

Dr. Charles W. Aby, San Rafael city councilman, will succeed the late Arthur Kanzee Jr. on the Bay Area Air Pollution Control Board.

Dr. Aby was chosen today at a meeting of representatives from six of Marin's 10 cities. The meeting was held at the county courthouse. County Clerk George S. Jones said Aby's was the only name submitted.

Safeway Seeks Store Site On Proposed Road

Safeway Stores is negotiating for lease of Southern Pacific property facing on B Street at First Street in San Rafael, which straddles the route proposed for an east-west highway or an off-ramp from such a highway.

H. H. Baker, property manager for Safeway in San Francisco, today confirmed that negotiations are under way, although he declined to speculate on reports that they are apparently near conclusion.

Baker said that if the deal goes through, Safeway expects construction of a 22,000-square-foot retail outlet by Market Investment Co., whose Harold A. Smith is involved in present negotiations. Construction would start in three to six

Bridge Can Support Transit, Tests Show

Completion of aerodynamic tests have shown that the Golden Gate Bridge could safely carry the extra burden of a rapid transit system, directors of the San Francisco Bay Area Rapid Transit District were told in San Francisco yesterday.

Feasibility was demonstrated in the recent aerodynamic tests as in static tests which had preceded the current series, according to a report to his fellow directors by Allan Charles of San Francisco, chairman of the district's plans development and engineering committee.

Charles based his statement on information from Carl H. Gronquist of the New York consulting engineering firm of Steinman, Boynton, Gronquist and London, which has been making the tests for several months.

Charles said he had been told by Gronquist that a full report showing feasibility as demonstrated by both the static and aerodynamic tests will be available about March 18 and that Gronquist will be in San Francisco to make a resentation based on this report at a directors' meeting March 23.

An invitation has been sent to directors and staff of the Golden Gate Bridge and Highway District to be present at the March 23 meeting, the rapid transit directors were told, and a reply has been received that a delegation will attend.

Charles also reported that the seismic recording system with instruments in the bottom of San Francisco Bay has been restored to operating condition after recent interruption.

Prisoner Release Spurs Report Red Congo Puppet Out

LEOPOLDVILLE (AP)—Eleven captured leaders of Kivu have been released from a Stanleyville jail where they had been since leftists seized their province last year, the United Nations said today.

While this indicated a change in attitude by the rebel regime, the U.N. command was unable to confirm reports from the leftist capital that Moscow-backed Antoine Gizenga had been deposed there.

TAKEOVER REPORT

Those reports said either the rebel military commander, Gen. Victor Lundula, or President Jean Foster Manzikala of Oriental Province had taken over Both are considered firm supporters of the policies of the late ex-Premier Patrice Lumumba.

But both were reported to have vigorous measures to prevent reprisals against whites in Stanleyville after Lumumba's slaying last month in Katanga Province. Manzikala also has strong tribal backing in Stanleyville, something Gizenga never had.

A U.N. spokesman reported the release of Jean Miroho, former president of Kivu, and 10 members of his provincial government.

RESISTED PRESSURE

Miroho had paid at least lip service to the central government at Leopoldville and had resisted pressure of Stanleyville in neighboring Oriental Province to join up with Gizenga. Gizenga sent in a raiding party last December, Miroho and his officials, and took control of Bukavu, the provincial capital.

In Leopoldville, the U.N.'s Congo mission continued negotiating with Congolese leaders on the terms for the return of U.N. troops to the key ports of Banana and Matadi.

The U.N. spokesman told newsmen he could not comment on Congolese reports that agreement has been reached by which the United Nations and the Congolese would exercise joint control of air traffic here. This is one major Congolese condition for permitting U.N. forces to return to the ports.

Maj. Gen. Sean McKeown, Irish commander of U.N. forces, was reported to have agreed to a form of joint control over U.N. air traffic in the Congo.

The Congolese informants gave no details of the reported agreement. Nor did they say whether the Congolese were modifying other conditions they said must be met before they allow U.N. troops to return to the port of Matadi, from which a Sudanese garrison was driven Sunday after two days of fighting.

Other major Congolese demands for opening up Matadi, where 33 U.N. ships are expected within the next week or so, were: (1) Joint control over other strategic points held by U.N. forces, (2) that all permanent movements by U.N. troops be subject to Congolese approval.

Leaders Vote For Separate Congo States

TANANARIVE, Malagasy Republic (UPI) — The Congo's top leaders ended a stormy, nine-hour session last night by agreeing to recognize independent states within the Congo.

A formal announcement said the leaders had reached agreement in principle on the recognition of existing states in fact and in law in the Congo and permitting the creation of new states."

The statement reflected the views of Katanga President Moise Tshombe and South Kasai chief Albert Kalonji. Although an agreement was finally reached, it was apparent that Congolese President Joseph Kasavubu and Premier Joseph Ileo were not too happy with the outcome. The two leaders had sought to tie the Congo's provinces together in a closely knit nation.

The delegates to the conference, which was marked by angry shouting and bitter arguments, also bluntly warned Ghanaian President Kwame Nkrumah to keep his hands off their country.

They said in a statement that Nkrumah and "certain African personalities" are seeking to satisfy their personal ambitions at the expense of the Congo.

The communique said Nkrumah and others "allowed themselves to interfere directly in the internal affairs of the Congo and thus contribute to a deterioration of affairs."

World's Tallest?

NEW ORLEANS, La. (AP)—Doctors are treating an 8-foot-2 teen-age Negro, possibly the world's tallest girl, for a knee injury received in a basketball game.

"They are rumor carriers, trouble carriers, weapon carriers, narcotic carriers and sometimes disease carriers," Arthur J. Rogers told the Senate subcommittee on juvenile delinquency yesterday. He is an assistant to the New York City Youth Services Commission.

By ASSOCIATED PRESS

A light snow fell early today over most of the northeast portion of the country.

Some snow of varying density, also fell over portions of the Northwest. About the heaviest there was one-fourth inch in the Portland, Ore., area.

The Northeast's snow, driven by a low pressure area out of the Atlantic, overlapped into the Upper Ohio Valley, over the Appalachians and into eastern Tennessee.

NORRISTOWN, Pa. (AP)—John M. Cook, 54, a vice president of Cutler-Hammer, Inc., of Milwaukee was released from prison today after serving 25 days of a 30-day term for price fixing and bid rigging. He was the last of seven top executives freed early because of exemplary behavior.

Thus, with nearly two million dollars in fines already paid by electrical firms in what the government described as one of the biggest anti-trust cases in history, the penalties imposed by the court have been paid.

May Target Hoped For Housing Bill

WASHINGTON (AP) — Democrats in Congress talked today of enacting President John F. Kennedy's 3.25 billion dollar housing program by May — but acknowledged it would not be easy.

Even before the president sent up the actual legislation to be considered, there were signs that Congress might make changes in his proposals, now heavily weighted toward halting decay in cities and easing the housing problems of lower-income families.

The two Alabama Democrats who head the housing subcommittees of the Senate and House, Sen. John J. Sparkman and Rep. Albert Rains, got together on a tentative schedule that calls for the Senate to move first. Democrats count on easier going in the Senate than in the House, where Republicans picked up a net of 22 seats in last year's election.

Rains said the GOP gains "inevitably make it a nip and tuck battle on the House floor."

Senate hearings are expected to start late this month, making a vote possible before the end of April. The House then might act by late May.

Some congressional sources said they expect strong pressure from the building industry for changes in the bill that would help sell houses perhaps up to the $25,000 class. These might include lower down payment requirements.

Under the Kennedy proposals, the mortgage financing liberalization would be slanted particularly at houses costing $13,500 or less.

The president also proposed a go-ahead for construction of 100,000 public housing units. Republicans usually oppose large public housing programs.

PRICE OF PERFORMERS

Jack Paar, Ed Sullivan Declare 'Video War'

NEW YORK (AP)—Ed Sullivan offered today to take his price war with Jack Paar over performers' fees before the late-night televiewing public and to debate Paar on Paar's own show.

Sullivan, star of a show on CBS, made the offer in answer to Paar's challenge that the two settle their differences by staging a rating duel.

Paar issued the challenge on his nationwide NBC-TV program last night, suggesting he appear on the NBC network from 8 to 9 p.m. some Sunday against Sullivan and see who gets the higher audience rating.

The feud stems from a statement Sullivan made yesterday.

He said he would cut the salaries of performers who collect thousands of dollars for appearing on his show and then perform on Paar's informal program for the minimum scale of $320.

Sullivan said he had nothing against performers going on the Paar show to talk. But it was unfair, he said, for performers to ask—and get—as much as $7,500 for a performance from him and then do the same work for Paar for the minimum.

One performer scheduled to appear on the Paar show last night, comedian Myron Cohen, canceled at the 11th hour because of the Sullivan ultimatum.

Stung by Sullivan's stand, Paar told his audience: "Ed Sullivan today declared war on this show."

Prowler Eludes San Rafael Police

A persistant prowler is giving San Rafael police the slip.

Mrs. Lourdes O. Robertson, of 6 Woods Street, telephoned police about 3 a.m. today that a prowler was attempting to gain entrance through her back window. He eluded police who found his fresh tracks.

At 3:50 a.m., she telephoned that the prowler had returned. He escaped again.

Police reported a prowler has attempted to gain entry into the Robertson home on Feb. 26 and again on March 6. Each time, he was frightened away, but returned a second time during the night.

Liz Taken Off Oxygen Device

LONDON (AP)—Elizabeth Taylor breathed today without the aid of oxygen machine for the first time in a week.

"The machine is still in her room," said Sue Cardozo, a friend of the film star and her temporary press secretary, "but she's getting along without it right now."

Miss Taylor, 29, was taken off the danger list yesterday after a desperate battle against double pneumonia in which the doctors twice despaired of saving her.

Early today her pulse and temperature were normal and a bulletin said she was "further improved."

"Elizabeth is smiling and talking," Miss Cardozo reported, "but talking is an effort for her. You see, she still has a tube in her throat to aid her breathing and this makes conservation pretty difficult."

Her doctors said they probably would remove the breathing tube, inserted during emergency surgery last Saturday, in the next day or two.

Laos Slates Conference To End Strife

PHNOM PENH, Cambodia (AP) — Neutralist former Premier Souvanna Phouma of Laos and Gen. Phoumi Nosavan, the strongman of the Western-backed Laotian government, agreed today on a program of conferences and eventual national elections that they hope will end the civil war in their strategic little nation.

Prince Souvanna undertook to sell the program to the pro-Communist rebels and Pathet Lao guerrillas, who control much of the Laotian countryside and up to now have recognized him as the legal head of government.

Prince Souvanna and Gen. Phoumi, who is deputy premier of Prince Boun Oum's government in Vientiane, announced this peace plan:

1. Speedy organization of a commission of three neutral nations — Burma, Cambodia and Malaya — proposed by Laotian King Savang Vathana as a watchdog group against foreign interference in Laos. Cambodia had rejected the king's proposal, saying the pro-Communists would not cooperate, but apparently Souvanna hopes his approval will make a difference.

2. A meeting of the three groups involved in the Laotian civil war — Boun Oum's Vientiane regime, neutralists loyal to Souvanna and the Pathet Lao.

3. An international conference, possibly the 14 nations proposed by the Cambodian chief of state, Prince Norodom Sihanouk. The United States has opposed this idea because Communist China would attend.

4. Neutralization of Laos and general elections for a new government.

U.N. African Delegates Press For Immediate Congo Debate

UNITED NATIONS, N.Y. (AP) —African delegates to the U.N. General Assembly pressed today or immediate debate on the Congo as the big powers remained deadlocked over whether to take up cold war issues at the Assembly session.

Leaders of the powerful African group, impatient over the haggling between the Soviets and the West that is delaying the assembly, were trying to convince other delegates that since the Congo must be discussed, it should be discussed now.

The Africans argued that this would keep the Assembly moving and give the major nations time to work out some agreement on the agenda. But agreement at this stage appeared remote.

No nation has yet asked that the Assembly take up the Congo, but Ghana and a number of other African nations are reported trying to muster support for a debate early next week. Yugoslavia, whose foreign minister, Koca Popovic, arrives today, is said to have thrown its support behind the move.

The Assembly has before it several Congo proposals—the latest presented at the reopening of the Assembly Tuesday by President Kwame Nkrumah of Ghana, who wants the U.N. Congo operation put under a "primarily African" command.

The Soviet Union has proposed that all U.N. forces get out of the Congo within a month.

Prisoner Release Spurs Report Red Congo Puppet Out

LEOPOLDVILLE (AP)—Eleven captured leaders of Kivu have been released from a Stanleyville jail where they had been since leftists seized their province last year, the United Nations said today.

While this indicated a change in attitude by the rebel regime, the U.N. command was unable to confirm reports from the leftist capital that Moscow-backed Antoine Gizenga had been deposed there.

TAKEOVER REPORT

Those reports said either the rebel military commander, Gen. Victor Lundula, or President Jean Foster Manzikala of Oriental Province had taken over Both are considered firm supporters of the policies of the late ex-Premier Patrice Lumumba.

But both were reported to have vigorous measures to prevent reprisals against whites in Stanleyville after Lumumba's slaying last month in Katanga Province. Manzikala also has strong tribal backing in Stanleyville, something Gizenga never had.

A U.N. spokesman reported the release of Jean Miroho, former president of Kivu, and 10 members of his provincial government.

RESISTED PRESSURE

Miroho had paid at least lip service to the central government at Leopoldville and had resisted pressure of Stanleyville in neighboring Oriental Province to join up with Gizenga. Gizenga sent in a raiding party last December, Miroho and his officials, and took control of Bukavu, the provincial capital.

In Leopoldville, the U.N.'s Congo mission continued negotiating with Congolese leaders on the terms for the return of U.N. troops to the key ports of Banana and Matadi.

The U.N. spokesman told newsmen he could not comment on Congolese reports that agreement has been reached by which the United Nations and the Congolese would exercise joint control of air traffic here. This is one major Congolese condition for permitting U.N. forces to return to the ports.

Maj. Gen. Sean McKeown, Irish commander of U.N. forces, was reported to have agreed to a form of joint control over U.N. air traffic in the Congo.

The Congolese informants gave no details of the reported agreement. Nor did they say whether the Congolese were modifying other conditions they said must be met before they allow U.N. troops to return to the port of Matadi, from which a Sudanese garrison was driven Sunday after two days of fighting.

Other major Congolese demands for opening up Matadi, where 33 U.N. ships are expected within the next week or so, were: (1) Joint control over other strategic points held by U.N. forces, (2) that all permanent movements by U.N. troops be subject to Congolese approval.

Leaders Vote For Separate Congo States

TANANARIVE, Malagasy Republic (UPI) — The Congo's top leaders ended a stormy, nine-hour session last night by agreeing to recognize independent states within the Congo.

A formal announcement said the leaders had reached agreement in principle on the recognition of existing states in fact and in law in the Congo and permitting the creation of new states."

The statement reflected the views of Katanga President Moise Tshombe and South Kasai chief Albert Kalonji. Although an agreement was finally reached, it was apparent that Congolese President Joseph Kasavubu and Premier Joseph Ileo were not too happy with the outcome. The two leaders had sought to tie the Congo's provinces together in a closely knit nation.

The delegates to the conference, which was marked by angry shouting and bitter arguments, also bluntly warned Ghanaian President Kwame Nkrumah to keep his hands off their country.

They said in a statement that Nkrumah and "certain African personalities" are seeking to satisfy their personal ambitions at the expense of the Congo.

The communique said Nkrumah and others "allowed themselves to interfere directly in the internal affairs of the Congo and thus contribute to a deterioration of affairs."

May Target Hoped For Housing Bill

WASHINGTON (AP) — Democrats in Congress talked today of enacting President John F. Kennedy's 3.25 billion dollar housing program by May — but acknowledged it would not be easy.

Even before the president sent up the actual legislation to be considered, there were signs that Congress might make changes in his proposals, now heavily weighted toward halting decay in cities and easing the housing problems of lower-income families.

The two Alabama Democrats who head the housing subcommittees of the Senate and House, Sen. John J. Sparkman and Rep. Albert Rains, got together on a tentative schedule that calls for the Senate to move first. Democrats count on easier going in the Senate than in the House, where Republicans picked up a net of 22 seats in last year's election.

Rains said the GOP gains "inevitably make it a nip and tuck battle on the House floor."

Senate hearings are expected to start late this month, making a vote possible before the end of April. The House then might act by late May.

Some congressional sources said they expect strong pressure from the building industry for changes in the bill that would help sell houses perhaps up to the $25,000 class. These might include lower down payment requirements.

Under the Kennedy proposals, the mortgage financing liberalization would be slanted particularly at houses costing $13,500 or less.

The president also proposed a go-ahead for construction of 100,000 public housing units. Republicans usually oppose large public housing programs.

PRICE OF PERFORMERS

Jack Paar, Ed Sullivan Declare 'Video War'

NEW YORK (AP)—Ed Sullivan offered today to take his price war with Jack Paar over performers' fees before the late-night televiewing public and to debate Paar on Paar's own show.

Sullivan, star of a show on CBS, made the offer in answer to Paar's challenge that the two settle their differences by staging a rating duel.

Paar issued the challenge on his nationwide NBC-TV program last night, suggesting he appear on the NBC network from 8 to 9 p.m. some Sunday against Sullivan and see who gets the higher audience rating.

The feud stems from a statement Sullivan made yesterday.

He said he would cut the salaries of performers who collect thousands of dollars for appearing on his show and then perform on Paar's informal program for the minimum scale of $320.

Sullivan said he had nothing against performers going on the Paar show to talk. But it was unfair, he said, for performers to ask—and get—as much as $7,500 for a performance from him and then do the same work for Paar for the minimum.

One performer scheduled to appear on the Paar show last night, comedian Myron Cohen, canceled at the 11th hour because of the Sullivan ultimatum.

Stung by Sullivan's stand, Paar told his audience: "Ed Sullivan today declared war on this show."

Laos Slates Conference To End Strife

PHNOM PENH, Cambodia (AP) — Neutralist former Premier Souvanna Phouma of Laos and Gen. Phoumi Nosavan, the strongman of the Western-backed Laotian government, agreed today on a program of conferences and eventual national elections that they hope will end the civil war in their strategic little nation.

Prince Souvanna undertook to sell the program to the pro-Communist rebels and Pathet Lao guerrillas, who control much of the Laotian countryside and up to now have recognized him as the legal head of government.

Prince Souvanna and Gen. Phoumi, who is deputy premier of Prince Boun Oum's government in Vientiane, announced this peace plan:

1. Speedy organization of a commission of three neutral nations — Burma, Cambodia and Malaya — proposed by Laotian King Savang Vathana as a watchdog group against foreign interference in Laos. Cambodia had rejected the king's proposal, saying the pro-Communists would not cooperate, but apparently Souvanna hopes his approval will make a difference.

2. A meeting of the three groups involved in the Laotian civil war — Boun Oum's Vientiane regime, neutralists loyal to Souvanna and the Pathet Lao.

3. An international conference, possibly the 14 nations proposed by the Cambodian chief of state, Prince Norodom Sihanouk. The United States has opposed this idea because Communist China would attend.

4. Neutralization of Laos and general elections for a new government.

U.N. African Delegates Press For Immediate Congo Debate

UNITED NATIONS, N.Y. (AP)—African delegates to the U.N. General Assembly pressed today or immediate debate on the Congo as the big powers remained deadlocked over whether to take up cold war issues at the Assembly session.

1-Way Street Plan Told To Chamber

The proposed grid pattern for one-way streets to feed traffic into and out of downtown San Rafael, and on and off the freeway, was explained yesterday by Daniel P. Coleman, consulting engineer for the city, to the streets and highways committee of the San Rafael Chamber of Commerce.

Major highlights of the proposed system include making Third Street a westbound one-way street from Grand Avenue to its westerly termination.

Second Street would be an eastbound one-way street from Marquard Street, under the Highway 101 overpass, to San Pedro Road.

Irwin Street would be made a one-way street going north from the Highway 101 interchange to Mission Avenue.

A new street would be constructed from the southbound off-ramp of Highway 101 south to Francisco Boulevard. This would be a one-way street southbound.

The block between Second and Third Streets under the Highway 101 overpass and west of Irwin Street would be cut to permit an easy turnaround for cars wanting to go back to the business district.

Second Street would be cut through at an angle from Grand Avenue to San Pedro Road. This would necessitate acquiring some right of way for this part of the system.

Coleman said he would recommend that the state Division of Highways immediately acquire this right of way and that for the new southbound street. This would improve the gateway to San Rafael, according to Coleman.

Other recommendations by Coleman for future street planning in San Rafael, include:

Extension of Third Street Westerly from E Street to form a junction with Second Street.

Lincoln Avenue should be connected to Los Ranchitos Road at Puerto Suello Hill to form an intracity thoroughfare.

The city should try to save the easterly portion of the existing pavement at Puerto Suello Hill so that it could be connected with Villa Avenue northward to San Pablo Avenue.

A project for the future, according to Coleman, would be to cut out Francisco Boulevard north to Grand Avenue, making a fill across the canal. The present Francisco Boulevard would then end in a cul-de-sac.

GUZZLED SINCE AGE 5

Brewery Man Guilty Of Drunken Driving

A San Francisco brewery worker, who says he's developed a strong tolerance for alcohol by guzzling beer since age, 5, was found guilty of drunken driving yesterday in Marin Municipal Court.

Hans Joachim Kiepe, 51, was convicted of driving while intoxicated along the Sausalito lateral last Aug. 17. A jury of six men and six women heard the case before Judge Harold J. Haley and reached a guilty verdict after several hours deliberation.

Judge Haley set sentencing for this afternoon, when he will also hear a motion for a new trial.

This was the second time that Dist. Atty. Roger P. Garety, the prosecutor, and former Dist. Atty. William O. Weissich, defense lawyer, had argued the Kiepe case. The first trial, last December, ended in a hung jury, 9 to 3 for acquittal.

Weissich announced he will ask for a new trial. If denied a new trial, he will appeal on several grounds, including errors of law. The primary reason for appealing, said Weissich, is an Independent-Journal editorial of Wednesday which "created a prejudicial atmosphere depriving Mr. Kiepe of a fair and impartial trial." He said the editorial "impugned the integrity of Mr. Kiepe's attorney."

Burglar Cleans Things Out

When Gerald Lewis arrived for work at Novato Auto Parts this morning, he thought a rear window looked unusually clean.

He checked more closely and found it wasn't clean—it was gone.

A burglar had broken the window, climbed inside and taken about $75 from a cash drawer, Novato police learned. The firm is located at 1052 First Street.

Soft Water Business Opens Doors

Servisoft of Marin, a new firm engaged in water softening installations and service, has opened an office and plant at 4172 Redwood Highway, San Rafael, opposite Terra Linda.

The firm is franchised by Servisoft Soft Water Service of Rockford, Ill., now in its 26th year of operation.

Owner of the Marin company is Richard W. Williams, 400 Midway Boulevard, Ignacio, formerly a resident of Orinda engaged in administrative work for the Navy resale program.

Williams said that Servisoft uses an exclusive water softener formula known as Jupiter which has as its chief ingredient the Dowex resin developed by Dow Chemical Co. The resin has among its characteristics the ability to remove radio-active strontium 90 and the Jupiter formula removes 7.5 parts of iron per million from home water supplies, he said.

Election Filing Winds Up Today In San Rafael

The San Rafael municipal election of April 10 shaped up today as a shoo-in for Mayor John F. McInnis, but not for two of his city council colleagues nor for any aspirant for the board of education.

With the deadline for filing certificates of candidacy 5 p.m. today, City Clerk W. L. Morgan early this afternoon reported McInnis still unopposed for the mayoralty. McInnis also won without opposition two years ago, after defeating incumbent E. W. Culver for the post in 1957.

Five candidates make up the field for two city council jobs, including the two incumbents. There were seven aspirants for two board of education offices being vacated by the incumbents.

One set of candidacy forms was still out this afternoon. Morgan said he believes they were taken out for another possible school board candidate.

Making up the field for city council were incumbents Louis H. (Bud) Baar and David Menary Jr., plus Joseph R. Filippo, Michael McLean and Orlando Conti.

In the wide-open board of education race were Bella Aaron, David Sokoloff, Howard L. Simon, Lothar Salin, Ben F. Petrini, John M. Bagshaw and Joseph Albanese.

In Manila, Henry gave a sworn statement saying he did not know Sangster and had never been in San Rafael. He took the lie detector test voluntarily and then was returned to his ship, a freighter. The National Bureau of Investigation in Manila had no authority to hold him.

Serafino Fausto, chief of the NBI domestic intelligence division in Manila, said Henry showed positive reactions in a polygraph test in saying he did not shoot Jerry Sangster, 25, and did not know who did.

Fausto added that Henry showed another positive reaction indicating he may not have been telling the truth when he replied No to the question "Did you lie to any of my questions?"

The NBI took from Henry a suit and other clothing which fitted descriptions furnished by the Marin County sheriff's office.

months from the time the land was leased.

Baker said the store would face on B Street and be leased by Safeway from Market Investment. Parking would be provided for 130 to 140 automobiles.

Complication arises from the fact that the now-vacant property, 300 feet on each side, has its northern line 162 feet below Second Street and its southern line about 100 feet below what would be an extension of First Street. First Street now deadends against B Street.

Norris Rawles, San Rafael public works director, said today this is "probably the only practical route for an east-west highway connecting with Highway 101 in San Rafael."

And if the highway to West Marin is routed elsewhere, plans drawn for the city by consulting engineer Daniel Coleman call for a highway on-ramps running through the property.

month," Ayer commented, "but the figures indicate that a lot more are out of work than before."

He said that the past month showed about 42 per cent greater unemployment than during the comparative period of last year.

A total of 245 job placements were made by the office last month, compared with 388 in January but showing a slight increase over 233 for February of last year.

Ayer said this was the highest February job placement ever scored and pointed out that this February had only 18 working days.

An "extended duration benefits program" for those long out of work was opened Feb. 27. Through yesterday, 85 claims had been filed which Ayer said appeared to him a higher rate than for a similar program last year "but not as heavy as had been anticipated."

This program, put into effect by emergency legislation, aids persons who have not been eligible for further benefits since last Nov. 1.

Miss Presley said the February figure of 357 cases of aid to needy children, with $55,655 outlay, compared with 341 cases and $53,442 payment in January and 337 cases and $53,099 payment in December.

Last February there were 285 such cases, the same number in January, and two fewer the previous month.

Miss Presley called attention that in December Marin County had only 18 cases per 1,000 children whereas the statewide figure was 42 per 1,000. In Marin County, moreover, there were 24 cases per 1,000 in 1953-54, Miss Presley said.

General relief cases totaled 531 in February as against 497 in January but comparing with 555 in February last year, she said.

Election Filing Winds Up Today In San Rafael

The San Rafael municipal election of April 10 shaped up today as a shoo-in for Mayor John F. McInnis, but not for two of his city council colleagues nor for any aspirant for the board of education.

With the deadline for filing certificates of candidacy 5 p.m. today, City Clerk W. L. Morgan early this afternoon reported McInnis still unopposed for the mayoralty. McInnis also won without opposition two years ago, after defeating incumbent E. W. Culver for the post in 1957.

Five candidates make up the field for two city council jobs, including the two incumbents. There were seven aspirants for two board of education offices being vacated by the incumbents.

One set of candidacy forms was still out this afternoon. Morgan said he believes they were taken out for another possible school board candidate.

Making up the field for city council were incumbents Louis H. (Bud) Baar and David Menary Jr., plus Joseph R. Filippo, Michael McLean and Orlando Conti.

In the wide-open board of education race were Bella Aaron, David Sokoloff, Howard L. Simon, Lothar Salin, Ben F. Petrini, John M. Bagshaw and Joseph Albanese.

Consolidation of Bank of San Rafael-First National with Crocker-Anglo will remove the last Marin-owned commercial banking institution from business. Bank of San Rafael First National has grown from a pioneer bank founded here by U. M. Gordon in 1869. It now has six branches—five in Marin County and one in Petaluma—besides the main office at Fourth and B Streets in San Rafael.

Crocker-Anglo now has one Marin branch, in San Rafael's Montecito Shopping Center.

"I want to give it deep consideration before an appointment is made," he said.

The sheriff indicated the new inspector will probably come from his present staff. "I have many capable deputies that I know can fulfill the position and also are greatly interested in the inspector's bureau."

Argento was at the sheriff's office this morning to chat with his former colleagues. He said he has been approached for positions but has no immediate plan.

ly to export silk to the United States.

In Manila, Henry gave a sworn statement saying he did not know Sangster and had never been in San Rafael. He took the lie detector test voluntarily and then was returned to his ship, a freighter. The National Bureau of Investigation in Manila had no authority to hold him.

Serafino Fausto, chief of the NBI domestic intelligence division in Manila, said Henry showed positive reactions in a polygraph test in saying he did not shoot Jerry Sangster, 25, and did not know who did.

Fausto added that Henry showed another positive reaction indicating he may not have been telling the truth when he replied No to the question "Did you lie to any of my questions?"

The NBI took from Henry a suit and other clothing which fitted descriptions furnished by the Marin County sheriff's office.

Grand Prizes Given In School Science Fair

Tine Smillie and John Compton, Adaline E. Kent school seventh graders, took grand prizes in their respective division at the school's science fair yesterday.

Tina, who topped the exhibitors in biological sciences, demonstrated bacteria and tooth decay. John won the physical science division with his project on oxidation rate.

Three two-student teams tied for first prizes in the biological division: Nan Berendstein and Betsy Klein for psychology in buying; Ann Stephens and Linda Fitting with a project on intelligence and study habits; and Lori Adams and Cathy Jo Chapman for color preference in regard to age level.

Winners of first prizes in physical science projects were: Mike Milot with his project on total reflection of light; Patty Vaio who demonstrated dyes in cloth; and the team of Meredith Pike and Sue Smallman who demonstrated the wearability of synthetic vs. natural fibers.

months from the time the land was leased.

Baker said the store would face on B Street and be leased by Safeway from Market Investment. Parking would be provided for 130 to 140 automobiles.

Complication arises from the fact that the now-vacant property, 300 feet on each side, has its northern line 162 feet below Second Street and its southern line about 100 feet below what would be an extension of First Street. First Street now deadends against B Street.

Norris Rawles, San Rafael public works director, said today this is "probably the only practical route for an east-west highway connecting with Highway 101 in San Rafael."

And if the highway to West Marin is routed elsewhere, plans drawn for the city by consulting engineer Daniel Coleman call for a highway on-ramps running through the property.

month," Ayer commented, "but the figures indicate that a lot more are out of work than before."

He said that the past month showed about 42 per cent greater unemployment than during the comparative period of last year.

A total of 245 job placements were made by the office last month, compared with 388 in January but showing a slight increase over 233 for February of last year.

Ayer said this was the highest February job placement ever scored and pointed out that this February had only 18 working days.

An "extended duration benefits program" for those long out of work was opened Feb. 27. Through yesterday, 85 claims had been filed which Ayer said appeared to him a higher rate than for a similar program last year "but not as heavy as had been anticipated."

This program, put into effect by emergency legislation, aids persons who have not been eligible for further benefits since last Nov. 1.

Miss Presley said the February figure of 357 cases of aid to needy children, with $55,655 outlay, compared with 341 cases and $53,442 payment in January and 337 cases and $53,099 payment in December.

Last February there were 285 such cases, the same number in January, and two fewer the previous month.

Miss Presley called attention that in December Marin County had only 18 cases per 1,000 children whereas the statewide figure was 42 per 1,000. In Marin County, moreover, there were 24 cases per 1,000 in 1953-54, Miss Presley said.

General relief cases totaled 531 in February as against 497 in January but comparing with 555 in February last year, she said.

Brown Scores Win On Dope Penalties

SACRAMENTO (AP) — Gov. Edmund G. Brown's proposals to increase narcotics penalties went to the Senate floor today after a clear-cut victory in the Senate Judiciary Committee over far tougher laws backed by Los Angeles County and police groups.

The committee last night approved a bill by Sen. Edwin J. Regan (D-Weaverville) with changes making it jibe almost exactly with what Brown asked for.

It provides mandatory prison sentences of from two to 15 years, depending on the specific crime and the record of the defendant, except for first offenders who may be granted probation by the judge.

Present law allows judges to sentence narcotics offenders to the county jail, and leaves the minimum time served in prison to the Adult Authority.

The Los Angeles proposals, far stiffer than Brown's, were defeated 7-4. They would have eliminated the possibility of probation in most cases, and provided much stiffer mandatory prison terms.

The key vote was a 7-6 decision by which the committee approved an amendment by Sen. James A. Cobey (D-Merced) to allow judges to grant probation to all first offenders, even adults who sell heroin to a minor.

Brown's plan lost on only one score—a 6-6 tie vote that defeated another Cobey amendment to reduce the minimum prison term for a second conviction of sale of narcotics from 10 to six years.

Director of Corrections Richard A. McGee noted that the minimum of 10 years is "three years tougher than the minimum for first degree murder."

The committee adopted by voice vote another Brown proposal sponsored by Sen. Stanford C. Shaw (D-Ontario) providing for mandatory revocation of the driving licenses of persons convicted of many narcotics crimes.

The bill sent to the floor is similar to the less severe of two bills passed earlier by the Assembly, both introduced by Assemblyman Clayton Dills (D-Gardena).

The tougher Dills bill is very like the Los Angeles proposals which the Senate committee defeated.

Actually, only three members of the Senate committee voted for the Los Angeles plan. The 7-4 vote was on a motion to table the amendments, and one of the four stated he opposed tabling but would not vote for the amendments.

Senate Committee Holds Up 2 Appointments By Brown

SACRAMENTO (AP) — Confirmation of two of Gov. Edmund G. Brown's appointees has been delayed by the Senate Rules Committee.

The committee took no action yesterday on confirming Nathaniel S. Colley, Sacramento Negro attorney, as a member of the State Board of Education.

Chairman Hugo M. Burns (D-Fresno) told the committee Colley is "personally very obnoxious to me" because of his part in an election campaign against the late Sen. Earl D. Desmond (D-Sacramento).

Burns later told a reporter he thinks Colley will be confirmed eventually, although he won't vote for him.

Confirmation of Henry P. Melnikow of Los Angeles as member of the State Board of Dry Cleaners also was put off pending investigation.

Burns said a state Senate Un-American Activities Committee report listed Melnikow as a sponsor of the Tom Mooney Labor School in San Francisco, allegedly a Communist recruitment center.

The committee did approve Brown's appointment of Preston Silbaugh as savings and loan commissioner, Alfred J. Stern and Sterling S. Cramer as park commissioners, and Methodist Bishop Gerald Kennedy of Los Angeles to the board of education.

Food, Gas Motel Signs Proposed

A new approach for highway signs—that of having one sign for all businesses along an access road—will be sought in Marin County by the Marin Motel Assn.

"We are going to ask other groups to help us in getting signs which will point out that 'food, gas, and motels' are available on business frontage roads," David Bellucci of the motel association announced after a meeting Wednesday night.

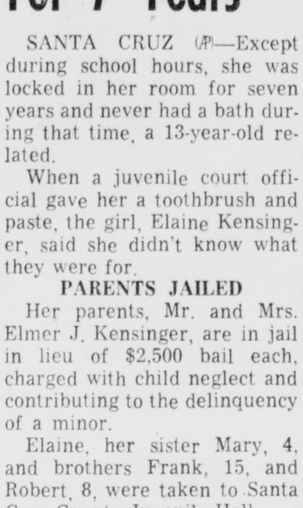
The association appointed a committee to meet with William D. Fusselman, chairman of the board of supervisors.

"Any further course of action will be decided when we see how many others join us and we get the reaction of the supervisors to this new approach," Bellucci said.

Recreation Resource Planner Appointed

Leo J. Diederich has been appointed chief of recreation resource planning for the National Park Service in its San Francisco office. He replaces George L. Collins of San Anselmo, who retired recently.

Diederich, who has been chief of national park system planning in Washington, D.C., will direct the parks' planning activities in the seven western states.



ELAINE KENSINGER
Puzzled by toothbrush

Parents Lock Girl In Room For 7 Years

SANTA CRUZ (AP)—Except during school hours, she was locked in her room for seven years and never had a bath during that time, a 13-year-old related.

When a juvenile court official gave her a toothbrush and paste, the girl, Elaine Kensinger, said she didn't know what they were for.

PARENTS JAILED

Her parents, Mr. and Mrs. Elmer J. Kensinger, are in jail in lieu of $2,500 bail each, charged with child neglect and contributing to the delinquency of a minor.

Elaine, her sister Mary, 4, and brothers Frank, 15, and Robert, 8, were taken to Santa Cruz County Juvenile Hall.

"Never have I seen a more abominable, degrading and disgusting way of life for any person to be subjected to," Officer Sue Curtis said.

Kensinger told officers Elaine was confined for using vile words and sassing her mother. Mrs. Kensinger refused to talk to police or reporters.

'UTTER FILTH'

The girl's 10-by-12-foot room was described by officers as "utter filth." A door leading to a bathroom was nailed shut. The only toilet facility available to Elaine was a coffee can, Officer Curtis said.

The case came to attention of authorities when her father, who runs a shop dealing in coins and second-hand goods, reported her as a runaway.

When she was found at the home of a girl friend, Kensinger asked that she be taken to juvenile hall as punishment.

Elaine burst into tears and told the story.

Drake Juniors In Talk Contest

Three Sir Francis Drake High School juniors will represent San Anselmo, Fairfax and San Geronimo Lions Clubs in the Lions' 24th annual student speaking contest, leading to a $1,500 college scholarship.

Nixon Talks To State GOP Unit Tomorrow

SACRAMENTO (AP) — California Republicans are looking to their leader, Richard M. Nixon, to help spark a GOP comeback in the 1962 elections.

The former vice president speaks before the Republican State Central Committee in the State Assembly chamber tomorrow. It's be his first political appearance since the November election.

There's no advance assurance that Nixon will say yes, no or even maybe to running for governor.

He's certain, however, to pledge support to his home state party in the 1962 campaign. Republicans, once dominant in California politics, now hold only two statewide offices.

Most of the other possible GOP candidates for governor will sit in on the two-day meeting, called to "organize for victory."

V. John Krehbiel of Pasadena, Republican state chairman, said the state central committee will draft a program to:

1. "Correct the extremes of the Brown administration."

2. "Present positive Republican alternatives."

3. "Return Republican majorities to the legislature and elect a Republican slate of constitutional officers in 1962."

Nixon carried California by 35,000 votes in the 1960 presidential race, but only Sen. Thomas H. Kuchel, 1956, and Secretary of State Frank Jordan, in 1958, have managed to win state office from the Democrats since 1954.

Most Republican leaders are convinced that Nixon will stay out of the gubernatorial contest. Some Democrats, like Sen. Clair Engle, have challenged him to run, saying nothing would do more to unite the ever-divided Democrats.

If Nixon decides to sit out the state race, his decision will touch off a scramble for the nomination.

Dixie School History On Tap

The six-year growth of the Dixie School District from a one-teacher district to its present 93 teachers is shown in a photographic display, until March 20, in the entrance hall of Vallecito School.

The display shows the school construction in progress. The areas of probable rapid growth are also shown.

The photographs in the display are by John A. Starkweather of Terra Linda.

On April 18 voters of the Dixie District will vote on a four-million-dollar state loan.

Cost, State's To Be Studied Private Text

SACRAMENTO (UPI)—A high state official believes that if private book publishers can manufacture textbooks as cheaply as the state printing plant private industry should get the state's business.

Director of Finance John Carr said a new accounting system should give him an accurate record by mid-April of the cost of printing textbooks in the state printing plant.

When the audit is completed, Carr said he intends to match it against the cost of publishing textbooks by private publishers.

NOMINATED — Dr. Harold Brown, Livermore nuclear expert, has been nominated by President John F. Kennedy today to direct research and engineering for the Defense Department.

Household Tax Revise Bill Moves Ahead

SACRAMENTO (UPI)—The Assembly Revenue and Taxation Committee urged the Assembly today to remove virtually all property taxes from household goods in California.

Committee members late yesterday beat down an attempt to defeat a bill exempting all goods with an assessed value of less than $2,100 and sent it to the lower chamber floor. Under current assessment procedures, this would mean an actual value of about $8,400.

"This is a people's bill," said Assemblyman Carl A. Britschgi

Brown Scores Win On Dope Penalties

SACRAMENTO (AP) — Gov. Edmund G. Brown's proposals to increase narcotics penalties went to the Senate floor today after a clear-cut victory in the Senate Judiciary Committee over far tougher laws backed by Los Angeles County and police groups.

The committee last night approved a bill by Sen. Edwin J. Regan (D-Weaverville) with changes making it jibe almost exactly with what Brown asked for.

It provides mandatory prison sentences of from two to 15 years, depending on the specific crime and the record of the defendant, except for first offenders who may be granted probation by the judge.

Present law allows judges to sentence narcotics offenders to the county jail, and leaves the minimum time served in prison to the Adult Authority.

The Los Angeles proposals, far stiffer than Brown's, were defeated 7-4. They would have eliminated the possibility of probation in most cases, and provided much stiffer mandatory prison terms.

The key vote was a 7-6 decision by which the committee approved an amendment by Sen. James A. Cobey (D-Merced) to allow judges to grant probation to all first offenders, even adults who sell heroin to a minor.

Brown's plan lost on only one score—a 6-6 tie vote that defeated another Cobey amendment to reduce the minimum prison term for a second conviction of sale of narcotics from 10 to six years.

Director of Corrections Richard A. McGee noted that the minimum of 10 years is "three years tougher than the minimum for first degree murder."

The committee adopted by voice vote another Brown proposal sponsored by Sen. Stanford C. Shaw (D-Ontario) providing for mandatory revocation of the driving licenses of persons convicted of many narcotics crimes.

The bill sent to the floor is similar to the less severe of two bills passed earlier by the Assembly, both introduced by Assemblyman Clayton Dills (D-Gardena).

The tougher Dills bill is very like the Los Angeles proposals which the Senate committee defeated.

Actually, only three members of the Senate committee voted for the Los Angeles plan. The 7-4 vote was on a motion to table the amendments, and one of the four stated he opposed tabling but would not vote for the amendments.

Senate Committee Holds Up 2 Appointments By Brown

SACRAMENTO (AP) — Confirmation of two of Gov. Edmund G. Brown's appointees has been delayed by the Senate Rules Committee.

The committee took no action yesterday on confirming Nathaniel S. Colley, Sacramento Negro attorney, as a member of the State Board of Education.

Chairman Hugo M. Burns (D-Fresno) told the committee Colley is "personally very obnoxious to me" because of his part in an election campaign against the late Sen. Earl D. Desmond (D-Sacramento).

Burns later told a reporter he thinks Colley will be confirmed eventually, although he won't vote for him.

Confirmation of Henry P. Melnikow of Los Angeles as member of the State Board of Dry Cleaners also was put off pending investigation.

Burns said a state Senate Un-American Activities Committee report listed Melnikow as a sponsor of the Tom Mooney Labor School in San Francisco, allegedly a Communist recruitment center.

The committee did approve Brown's appointment of Preston Silbaugh as savings and loan commissioner, Alfred J. Stern and Sterling S. Cramer as park commissioners, and Methodist Bishop Gerald Kennedy of Los Angeles to the board of education.

Food, Gas Motel Signs Proposed

A new approach for highway signs—that of having one sign for all businesses along an access road—will be sought in Marin County by the Marin Motel Assn.

"We are going to ask other groups to help us in getting signs which will point out that 'food, gas, and motels' are available on business frontage roads," David Bellucci of the motel association announced after a meeting Wednesday night.

The association appointed a committee to meet with William D. Fusselman, chairman of the board of supervisors.

"Any further course of action will be decided when we see how many others join us and we get the reaction of the supervisors to this new approach," Bellucci said.

ELAINE KENSINGER
Puzzled by toothbrush

Parents Lock Girl In Room For 7 Years

SANTA CRUZ (AP)—Except during school hours, she was locked in her room for seven years and never had a bath during that time, a 13-year-old related.

When a juvenile court official gave her a toothbrush and paste, the girl, Elaine Kensinger, said she didn't know what they were for.

PARENTS JAILED

Her parents, Mr. and Mrs. Elmer J. Kensinger, are in jail in lieu of $2,500 bail each, charged with child neglect and contributing to the delinquency of a minor.

Elaine, her sister Mary, 4, and brothers Frank, 15, and Robert, 8, were taken to Santa Cruz County Juvenile Hall.

"Never have I seen a more abominable, degrading and disgusting way of life for any person to be subjected to," Officer Sue Curtis said.

Kensinger told officers Elaine was confined for using vile words and sassing her mother. Mrs. Kensinger refused to talk to police or reporters.

'UTTER FILTH'

The girl's 10-by-12-foot room was described by officers as "utter filth." A door leading to a bathroom was nailed shut. The only toilet facility available to Elaine was a coffee can, Officer Curtis said.

The case came to attention of authorities when her father, who runs a shop dealing in coins and second-hand goods, reported her as a runaway.

When she was found at the home of a girl friend, Kensinger asked that she be taken to juvenile hall as punishment.

Elaine burst into tears and told the story.

DINING OUT AND INNS

By HARRY CRAFT

Sabella Family Busy With Plan For Building, Marriage, Frogs

A forthcoming marriage, a new restaurant and an old time frog jumping contest — these are all exciting events marked down for spring in the Sabella family.

Angela, pretty daughter of Mr. and Mrs. Angelo Sabella, will join hands with Tom Marks, KFRC account representative, April 1 at the Saint Francis Yacht Club in San Francisco.

Opening of Sabella's new restaurant is still slated for May 1 — a month later. Construction is on schedule and there's no reason to doubt that it will make its deadline.

Participation in the historical frog jumping contest at Angel's Camp on May 21 may have some competition with remaining interest in the foregoing, but it too, is scheduled as a positive event.

So far, Sabella's entries are foreseen as domestic frogs and frog from Hang Kong, African frogs and Brazilian frogs—both terrific jumpers — were considered, but the first are undersized and the latter are said to eat birds and snakes. They were ruled out because they may also nibble fingers.

CERTAINLY a lot for your money is Dave Bellucci's spaghetti dinners in Ignacio at $1.45 which in addition to a heaping portion of semolina includes soup, salad, some extra fine garlic rolls, dessert and beverage.

A straight half-portion of spaghetti at 65 cents is enough in itself to keep you busy—I never did get into a full portion.

Typically Italian in its atmosphere and a nice place to go when you tell yourself you only want a snack but find you can eat heartily when it's set before you.

Right across the highway from Hamilton Air Force Base.

PERHAPS it won't materialize for several weeks, but you may as well know that Yolanda and Fred Apostoli who operate the Meadows in Ignacio intend taking over the former Captain's Room in Corte Madera and are turning everything upside-down in remodeling. They expect to convert it to a popular night spot and restaurant featuring continental dinners.

New name: The Embers. Yolanda says they will go all out to provide fine food.

Expected opening date: Too soon to say.

IF YOU ARE LATE bound for Mountain Home Inn on the slopes of Tamalpais some drizzly evening, it might be well to phone ahead announcing your arrival.

Marion and Pat Vincent have been closing around 7 p.m. recently when business is light and the weather discouraging. But tell them you're coming and they will wait for you.

Reason: No trip to Europe this year and this is their way of taking a vacation.

SUGGESTED on your next visit to Le Chateau, north of the growing commercial cluster on the highway opposite Terra Linda: Cornish game hen with wild rice and mushrooms, a favorite for many, prepared by chef Mitchell Javeaux. Or, if you like something simple—try his New York steak sandwiches.

And for salads, we can't pass up mentioning Scotty MacKinnon's Scotch dressing—his own recipe with about 10 ingredients. His imported Roquefort dressing is tops, too.

Scotty is a two-way artist—salads and paintings. You'll find some of his sketches on the walls.

IT'S NO SECRET that Ernie's Waterfront Restaurant in Sausalito has only a limited tenure in its present location at 815 Bridgeway. The property is included in the proposed site of the Vina del Mar Inn project.

Ernie Morrison and Jack Cannon have not found a new location to their liking, though they're anxious to continue in business in the county.

Until they do, and upon closing (March 26) they'll take one of their customary vacations in Honolulu.

It's not likely they'll remain, but will start checking for spots all over again in Marin when they return.

MAIN REASON for Dick Saltzman leaving Pinky's Pizza was an offer from the new Federal Lounge at 960 McAllister Street, San Francisco (conveniently located between the President Follies and the Bureau of Internal Revenue), that redecorated the whole back room just for Dick and his group.

Dick, who is in the furniture business, got the entertainment job—but missed out in the refurnishing.

WE HAVE AN announcement of a new San Francisco night club called Ne've' just opened at 960 Bush Street. Owners are the same who own Outside at the Inside, Palo Alto popular night and dining spot.

Current entertainment is Joe Williams, formerly with Count Basie, Harry (Sweets) Edison Quintet and KSFO's Al (Jazzbo) Collins, comedian and story teller.

BOWLERS, apparently, aren't the only sports-minded diners who visit Nero's Room at Nave Lanes, Ignacio.

Recently came Syl De Maestri escorting 49er Ted Connolly and his former Santa Clara roommate, Paul Jocko, now an Air Force captain stationed at Hamilton Field.

Said Connolly to Bill Nave Jr., "This is my first down in this stadium, but its one of the best places I've ever scored so well in eating without time out to talk about it."

CORPORATE STRUCTURE—Members of the Sabella family who are also the principals of Sabella's, Inc., pose beneath the first structural section raised for the new Sabella's restaurant being built on Redwood Highway just north of the Richardson Bridge. Court Rules In Aid Case Involving Unmarried Pair

SAN FRANCISCO (AP) — The State Supreme Court, in a 5-2 decision, has upheld the conviction of a woman who accepted state aid for herself and two minor children while living with a man who contributed to their support.

The woman was convicted by a Tulare County Superior Court jury of unlawfully accepting $1,811 during a seven-month period, six months of which the man, whom she subsequently married, lived with her and helped support her family.

The lower court said a man living in a house and assuming the role of a spouse has the same responsibility as that of a stepfather for the mother and needy children, and his income could be used in determining the amount the family was entitled to.

The Supreme Court upheld this decision yesterday.

Belvedere Fireman's Ball Set Aug. 25

Cattle Rustlers Butcher Heifer

Cattle rustlers butchered a heifer on the Carl Dolcini Ranch near the Sonoma County line and hauled off the carcass, hide and all, sheriff's deputies reported yesterday.

Dolcini told Sheriff's Lt. Sidney Stinson that he had the heifer in a corral on Wilson Hill Road. Wednesday, he found blood and viscera inside the corral. Everything else had been hauled away.

This is the second rustling case in the area in about two weeks. The previous one occurred about two miles away where a cow was butchered and dragged to the roadside. The hide was left behind in that case.

Arrest Law Phone Call Provisions Clarified

SAN FRANCISCO (UPI) — The California State Supreme court handed down a new interpretation of the arrest law yesterday.

The court held that the law does not restrict telephone calls by a defendant in custody to his attorney, employer or relative. The interpretation was requested by Emery Newbern, who is now serving a sentence in San Francisco for his 150th conviction as a drunk.

Newbern convinced the Supreme Court last March to declare the state's "common drunk" law unconstitutional. His latest appeal resulted from a Los Angeles conviction last April, when he was not permitted to telephone a bail bondsman.

The court pointed out yesterday that the law's use of the word "may" in referring to persons who may be telephoned did not exclude other cases of persons, such as physicians or friends.

The appeals tribunal, declaring a Los Angeles Police Department regulation invalid, also said that a defendant could make a telephone call at any time after he is booked.

The unanimous opinion rejected a contention of Los Angeles authorities that phone calls were permitted only "immediately" after a booking. The court said this interpretation would make "the life span of a prisoner's right almost instantaneous."

79 Million Visit Parks, Beaches

SACRAMENTO (AP)—A total of 79,667,279 persons visited California's state beaches, parks and monuments last year despite bad weather, overcrowding and the threat of sharks.

The State Division of Beaches and Parks reported 24 million visitors at state-operated parks and 55 million at beaches and parks owned by the state but operated by local governments.

State wide, attendance at beaches increased over the previous year.

But the shark threat and poor weather were blamed for a sharp attendance drop at beaches in the Santa Cruz area.

Sabella Family Busy With Plan For Building, Marriage, Frogs

A forthcoming marriage, a new restaurant and an old time frog jumping contest — these are all exciting events marked down for spring in the Sabella family.

Angela, pretty daughter of Mr. and Mrs. Angelo Sabella, will join hands with Tom Marks, KFRC account representative, April 1 at the Saint Francis Yacht Club in San Francisco.

Opening of Sabella's new restaurant is still slated for May 1 — a month later. Construction is on schedule and there's no reason to doubt that it will make its deadline.

Participation in the historical frog jumping contest at Angel's Camp on May 21 may have some competition with remaining interest in the foregoing, but it too, is scheduled as a positive event.

So far, Sabella's entries are foreseen as domestic frogs and frog from Hang Kong. African frogs and Brazilian frogs—both terrific jumpers — were considered, but the first are undersized and the latter are said to eat birds and snakes. They were ruled out because they may also nibble fingers.

CERTAINLY a lot for your money is Dave Bellucci's spaghetti dinners in Ignacio at $1.45 which in addition to a heaping portion of semolina includes soup, salad, some extra fine garlic rolls, dessert and beverage.

A straight half-portion of spaghetti at 65 cents is enough in itself to keep you busy—I never did get into a full portion.

Typically Italian in its atmosphere and a nice place to go when you tell yourself you only want a snack but find you can eat heartily when it's set before you.

Right across the highway from Hamilton Air Force Base.

PERHAPS it won't materialize for several weeks, but you may as well know that Yolanda and Fred Apostoli who operate the Meadows in Ignacio intend taking over the former Captain's Room in Corte Madera and are turning everything upside-down in remodeling. They expect to convert it to a popular night spot and restaurant featuring continental dinners.

New name: The Embers. Yolanda says they will go all out to provide fine food.

Expected opening date: Too soon to say.

IF YOU ARE LATE bound for Mountain Home Inn on the slopes of Tamalpais some drizzly evening, it might be well to phone ahead announcing your arrival.

Marion and Pat Vincent have been closing around 7 p.m. recently when business is light and the weather discouraging. But tell them you're coming and they will wait for you.

Reason: No trip to Europe this year and this is their way of taking a vacation.

SUGGESTED on your next visit to Le Chateau, north of the growing commercial cluster on the highway opposite Terra Linda: Cornish game hen with wild rice and mushrooms, a favorite for many, prepared by chef Mitchell Javeaux. Or, if you like something simple—try his New York steak sandwiches.

And for salads, we can't pass up mentioning Scotty MacKinnon's Scotch dressing—his own recipe with about 10 ingredients. His imported Roquefort dressing is tops, too.

Scotty is a two-way artist—salads and paintings. You'll find some of his sketches on the walls.

IT'S NO SECRET that Ernie's Waterfront Restaurant in Sausalito has only a limited tenure in its present location at 815 Bridgeway. The property is included in the proposed site of the Vina del Mar Inn project.

Ernie Morrison and Jack Cannon have not found a new location to their liking, though they're anxious to continue in business in the county.

Until they do, and upon closing (March 26) they'll take one of their customary vacations in Honolulu.

It's not likely they'll remain, but will start checking for spots all over again in Marin when they return.

MAIN REASON for Dick Saltzman leaving Pinky's Pizza was an offer from the new Federal Lounge at 960 McAllister Street, San Francisco (conveniently located between the President Follies and the Bureau of Internal Revenue), that redecorated the whole back room just for Dick and his group.

Dick, who is in the furniture business, got the entertainment job—but missed out in the refurnishing.

WE HAVE AN announcement of a new San Francisco night club called Ne've' just opened at 960 Bush Street. Owners are the same who own Outside at the Inside, Palo Alto popular night and dining spot.

Current entertainment is Joe Williams, formerly with Count Basie, Harry (Sweets) Edison Quintet and KSFO's Al (Jazzbo) Collins, comedian and story teller.

BOWLERS, apparently, aren't the only sports-minded diners who visit Nero's Room at Nave Lanes, Ignacio.

Recently came Syl De Maestri escorting 49er Ted Connolly and his former Santa Clara roommate, Paul Jocko, now an Air Force captain stationed at Hamilton Field.

Said Connolly to Bill Nave Jr., "This is my first down in this stadium, but its one of the best places I've ever scored so well in eating without time out to talk about it."

JFK Asks Nikita To Halt Laos Arms

WASHINGTON (AP) — President John F. Kennedy has strongly urged Soviet Premier Nikita Khrushchev to cooperate with the United States in making war-torn Laos a completely neutral nation, lest the conflict there explode into a much greater East-West clash. (Another story, page 2)

Specifically, Kennedy wants Khrushchev to choke off the presently heavy flow of Soviet arms to the pro-Communist rebels in northern and eastern Laos before the United States decides it is compelled to launch a counter-buildup of forces under the pro-Western government of Premier Boun Oum.

The president was reported today to have advised Khrushchev that the United States is fully prepared to submit its own military assistance to Laos to screening by a commission composed of representatives of neutral nations, assuming that Khrushchev would agree to the same kind of supervision over Soviet arms aid.

Kennedy's position was made known to Khrushchev by Y. S. Ambassador Llewellyn Thompson who spent four hours with the Soviet premier

Bleacher Seats Set For Novato

Novato High is expected to have about 1,500 bleacher seats for football season next fall, bought through a student and citizen fund drive.

Garden Club's Trees Sprouting In Novato

Novato's main street, Grant Avenue, is sprouting with 14 liquidambaer trees placed in redwood planters by the Novato Garden Club.

The club has immediate plans for placing seven more trees and is planning a garden bazaar to raise funds to finance more trees.

The garden club project includes payment of $35 by the club for each tree and planter materials. The planter boxes have been constructed without charge by city councilman Everett Pozzi and Mrs. Robin Cannon, chairman of the club's tree committee.

Trees are donated to merchants who want them, if they promise to dump three buckets of water a week on the trees.

The garden bazaar is planned for April 7-8 at the Nave shopping center, with proceeds slated to go for purchase of more trees by the club.

The club has entered the city in the Radio KCBS "plant a tree" contest and is asking residents to report to the chamber of commerce any trees planted anywhere in Novato in the past year.

U.S. No Longer Bound By Berlin Concessions

WASHINGTON (AP) — The United States said today it is "no longer bound" by compromise proposals previously offered the Russians in negotiations on Berlin.

A statement issued by the State Department also declared "unequivocally that the United States has no intention of reducing its garrison in West Berlin."

Press officer Lincoln White issued the Kennedy administration's position after being questioned about Secretary of State Dean Rusk's remarks yesterday repledging the United States to its commitment to a free West Berlin.

In his statement, White said publicly for the first time what previously had been said privately during the Eisenhower administration.

This is that any new talks with the Reds will start from scratch — the old concessions are tossed out.

Concessions on the German question were offered by the United States, Britain and France at the 1959 Geneva foreign ministers conference with Russia.

Navy's Top Security Aide Fired

WASHINGTON (AP) — The Navy's top security review officer was abruptly relieved of his post late yesterday, presumably because he approved publication of a magazine article calling strongly for more money for antisubmarine warfare as represented by the destroyer fleet.

The officer, Cmdr. John James, confirmed that he had been replaced, but declined to discuss the circumstances. A veteran of 21 years of service, he said he will retire soon.

The Navy gave no immediate explanation for the change.

Informed sources, however, said James was blamed for passing an article that went against Navy policy and not that he permitted any violation of security.

707 Went To Tam Evening School

Enrollment in the Tamalpais adult evening school during the winter quarter of 1960-61 totaled 707 students, it was announced today by Principal Harry G. Russell.

The winter quarter ends March 24 and the spring term begins on April 3. Classes are held at the Tamalpais High School campus in Mill Valley and Sir Francis Drake High School in San Anselmo.

Of the 707 students, 410 are enrolled at Drake and 297 at Tamalpais, Russell reported.

JFK Asks Nikita To Halt Laos Arms

WASHINGTON (AP) — President John F. Kennedy has strongly urged Soviet Premier Nikita Khrushchev to cooperate with the United States in making war-torn Laos a completely neutral nation, lest the conflict there explode into a much greater East-West clash. (Another story, page 2)

Specifically, Kennedy wants Khrushchev to choke off the presently heavy flow of Soviet arms to the pro-Communist rebels in northern and eastern Laos before the United States decides it is compelled to launch a counter-buildup of forces under the pro-Western government of Premier Boun Oum.

The president was reported today to have advised Khrushchev that the United States is fully prepared to submit its own military assistance to Laos to screening by a commission composed of representatives of neutral nations, assuming that Khrushchev would agree to the same kind of supervision over Soviet arms aid.

Kennedy's position was made known to Khrushchev by Y. S. Ambassador Llewellyn Thompson who spent four hours with the Soviet premier

Garden Club's Trees Sprouting In Novato

Novato's main street, Grant Avenue, is sprouting with 14 liquidambaer trees placed in redwood planters by the Novato Garden Club.

The club has immediate plans for placing seven more trees and is planning a garden bazaar to raise funds to finance more trees.

The garden club project includes payment of $35 by the club for each tree and planter materials. The planter boxes have been constructed without charge by city councilman Everett Pozzi and Mrs. Robin Cannon, chairman of the club's tree committee.

Trees are donated to merchants who want them, if they promise to dump three buckets of water a week on the trees.

The garden bazaar is planned for April 7-8 at the Nave shopping center, with proceeds slated to go for purchase of more trees by the club.

The club has entered the city in the Radio KCBS "plant a tree" contest and is asking residents to report to the chamber of commerce any trees planted anywhere in Novato in the past year.

U.S. No Longer Bound By Berlin Concessions

WASHINGTON (AP) — The United States said today it is "no longer bound" by compromise proposals previously offered the Russians in negotiations on Berlin.

A statement issued by the State Department also declared "unequivocally that the United States has no intention of reducing its garrison in West Berlin."

Press officer Lincoln White issued the Kennedy administration's position after being questioned about Secretary of State Dean Rusk's remarks yesterday repledging the United States to its commitment to a free West Berlin.

In his statement, White said publicly for the first time what previously had been said privately during the Eisenhower administration.

This is that any new talks with the Reds will start from scratch — the old concessions are tossed out.

Concessions on the German question were offered by the United States, Britain and France at the 1959 Geneva foreign ministers conference with Russia.

Navy's Top Security Aide Fired

WASHINGTON (AP) — The Navy's top security review officer was abruptly relieved of his post late yesterday, presumably because he approved publication of a magazine article calling strongly for more money for antisubmarine warfare as represented by the destroyer fleet.

The officer, Cmdr. John James, confirmed that he had been replaced, but declined to discuss the circumstances. A veteran of 21 years of service, he said he will retire soon.

The Navy gave no immediate explanation for the change.

Informed sources, however, said James was blamed for passing an article that went against Navy policy and not that he permitted any violation of security.

Of the 707 students, 410 are enrolled at Drake and 297 at Tamalpais, Russell reported.

Future CDC Acts Affect Pre-Primary Endorsements

The California Democratic Council at its convention last weekend in Santa Monica, devoted a whole special section of the three-day affair to the matter of pre-primary endorsements.

As they themselves admitted, there is no bill before the legislature at the moment which threatens their right to endorse candidates, but they are skittish about the possibility one may show up.

The C.D.C. put some of their highest powered talent on a panel to get the point across that they are willing to fight for the right to endorse candidates before the primaries. C.D.C. President Joseph Wyatt moderated the panel and got into the discussion. Others were Paul Ziffren, former national committeeman; Robert McCarthy, former state senator and at present state director of motor vehicles; Roger Kent of Kent Woodlands, state central committee chairman; Alan Cranston, state controller, and State Sen. Richard Richards of Los Angeles.

All of them were vociferous about their right to endorse. Even McCarthy, who a year ago wasn't so sure about the whole process when he was running for attorney general. He then declined to seek the endorsement of the self-same C.D.C.

They said labor unions, newspapers and scores of other organizations, real and paper, give pre-primary endorsements. So should working Democrats, they said.

We think they have that right, too — under certain conditions. First, they should not attempt to make it appear that C.D.C. endorsement is in effect the endorsement of the Democratic Party. A candidate has as much right to say "Democratic Endorsed" if he has the backing of any Democratic club as if he has C.D.C. behind him.

Second, no candidate should be required to agree not to run for office if he attempts to and does not get the C.D.C. endorsement. It has been a practice widely exercised to question candidates appearing before a C.D.C. unit as to whether he would run if not endorsed.

We were heartened to hear some of the panel members take a firm stand on this latter condition. Cranston put it bluntly: "We shouldn't deny the right to run to any person who seeks our endorsement and fails to get it."

Kent went even farther: "I think we should have it in our by-laws that we can't call for a loyalty oath in consideration of candidates for endorsement."

It is true that there is no legislation on pre-primary endorsements at present before the solons in Sacramento. But we would predict that the C.D.C.'s own actions in the future would be the deciding factor as to whether there will be limitation in the future.

If the C.D.C. is reasonable and follows the proposals of Cranston and Kent, such restrictions will not be necessary. If it follows some of the red-hot CDCers, regulation will come.

Colored Lights In The Night

Have you ever stopped to think what a drab greyish-yellow place a city like San Rafael or San Anselmo would be at night without the peacock miracle of neon?

The science of colored lighting has added a new, and often unappreciated, dimension to our lives. It is an enthusiastically uninhibited art form, full of unusual combinations and contrasts, varied and vivid.

These colored lights make a brilliant rainbow of the night. They add the sparkle of life and excitement to our towns and cities.

Towns without neon would be pretty dull indeed!

Man Who Didn't Care Tick About Clockmaking Made Tickless Watch

By FRANCIS STILLEY
(For Hal Boyle)

NEW YORK (AP) — To most Americans, Switzerland and watchmaking go together.

Max Hetzel was one Swiss lad who didn't care a tick about watchmaking.

And what did he do? He wound up inventing an electronic age watch that not only doesn't tick but doesn't have to be wound.

He may wind up as less than a hero in his native land as a result.

Hetzel believes his new timepiece will make conventional watches obsolete eventually. Switzerland is renowned for manufacture of contional watches.

Hetzel's watch is termed the first to employ a complete change in operating principles after more than 300 years of watchmaking.

Its works include a tiny electro-magnet and transistors. It is powered by a dime-sized battery which costs $1.50 and lasts a year. The electromagnet operates a mechanical arm, which turns a rachet wheel and that in turn makes the watch go.

Eliminated is the mainspring, the balance wheel and the hairspring. Hetzel's watch has 12 moving parts, compared with up to 26 in others.

The manufacturer says it doesn't need cleaning or oiling, should never need repairs under normal usage, and gauarntees it to be accurate within one minute a month. Hetzel figures only a few seconds.

And how did Hetzel, 39, an electronics engineer now becoming an American citizen, happen to devise an unprecedented kind of watch?

As a kind of boy genius at 12, he started making radios. Then he plunged into higher mathematics and by 16 he had built a powerful telescope and was plotting planets.

He won honors in high-level Swiss technical schools for electronics achievements and went to work inventing radio-television devices.

In 1950, Hetzel saw a newspaper ad of the American company for electronics engineers, checked up on the firm and found it was quite a going concern. Hetzel soon proved a going concern also.

He was so adept at managing electronics aspects of one of it Swiss plants he found he had a lot of extra time on his hands.

The chairman of the company suggested he set his mind to devising a new concept in watchmaking. The concept came easy to Hetzel, but the application didn't.

"It took lots of hard work," he says.

"I made a large scale model and began trying to reduce the parts to extremely small size.

"After that, I had to invent the machines to make the parts."

AMID THIS, Hetzel moved his wife and three children to this country, rose to chief physicist of the company and applied for American citizenship.

Now his company has put his watch on the market. Hetzel hopes he can soon get back to his first love—electronics in general.

HE WAS ASKED what he had done with his first large-scale model of the electronic watch—saved it for a museum perhaps?

"Nah," replied Hetzel. "I threw it in the wastebasket a long time ago. I didn't think anybody would want it far anything."

Mr. Kellogg Smith's response to my letter of February 20, concerning the proposed medical health plan, requires rebuttal.

His enthusiasm for federal medical insurance has led him, I am afraid, to quote some of my remarks out of their context and thus considerably distort their original meaning and intent.

It is true that in my letter I pointed out that, in my opinion, those that can afford to pay for their medical care should be expected to do so. Mr. Smith did not mention that it was further emphasized that I objected to the health plan as proposed partly because many of the needy would find those charges set forth in the plan excessive and provision should be made for these persons. I also objected on the grounds that there is nothing sacred about holding a social security card and it was suggested that provision be made for those persons, young or old, who are in need of medical care and who happen not to belong to the social security fraternity.

Mr. Smith also quotes the following passages from my letter: ". . . individuals be expected to be responsible for themselves," and then adds some vindictive comments based on this remark. He did not allude to the immediately following sentence, however, which said: "The limit of this responsibility varies widely and I believe it is a proper function of government to carry on this responsibility when the individual is no longer **comfortably** able to do so.

Mr. Smith's point of view and mine are probably not too far distant. I do object, however, to the technique of criticism by quoting remarks out of context and attributing to them never envisioned meaning.

EDITOR,

I would like to quote a letter from the Committee For Classrooms in Mill Valley and this is an example of what is taking place everywhere.

"The proposed bond issue for the Mill Valley School District amounts to $550,000, only enough to add and equip 19 new classrooms. Reduce this amount to its simplest terms. The cost to the owner of the average house in this district will be $2.53 per year, or only 21 cents a month."

Sounds like an ad for a Rexall sale, so how can we miss?

Take the "Compulsory Contributions Act" for an example. They will, according to laws set forth, not ask, but take your money to support their program.

Must we wait for a law of this nature to be passed before we voluntarily offer what we know is gospel truth? More classrooms in order to educate our children and our children's children?

Some of us say, "Oh, we don't have any children." And there are others who say, "Oh, I'm retired." Those of you with these excuses remember this: What about the future of America?

There are those who cry, "What we need in high administrative offices and others is young blood!"

All right, here is your chance. Don't let the above war cries impede the progress of America, vote and pass it without hesitation for the educational facilities for every man's child.

If you don't think that America and our children, their future and our protection in old age are not worth 21 cents and many times that per month, I guess it's about time we gave up everything. At least our children would know and we could go on from there.

I'm sorry that I do not have more perfumed words for such an imperative need. I'd much rather use simple words and come straight to the point.

I thank you one and all for reading same.

Hollywood scribe Herb Stein interviewed actor Jose Ferrer recently in the star's home. Ferrer apologized for the absence of his wife, Rosemary Clooney, saying she was upstairs caring for their five children.

After Four Months In The City It's Great Back In The Hinterland

"You can take the boy out of the country, but you can't take the country out of the boy."

So goes an old saying the truth of which my bosses discovered when they recently pulled me out of the Corte Madera - Larkspur - Kentfield area and set me in front of a typewriter amidst the hustle and hurry of San Rafael (pop. 20,640).

Two factors doomed the experiment to certain failure—meter maids and early hours.

Mostly the latter. Parking tickets can be paid off ("it's only money," another old saying goes), but to a professional pillow-pounder such as I, sleep is a precious thing which, once lost, is forever gone.

I TREMBLE WHEN I think of the past four months of groping the length of my Larkspur boardwalk in the dark, cold predawn hours, trying to arrive at my desk at 7:30 a.m., an hour I have always looked on as the middle of the night.

Needless to say, I didn't always make it, often hustling in with barely enough time to make a deadline with some sparkling prose on who, the night before, had scragged whom.

In the provinces, things are different. We maintain civilized office hours and concern ourselves mostly with news of P-TA meetings, building permits, dog ordinances, variances and garbage collection.

AFTER FOUR MONTHS absence, I find I am able to walk into city council meetings and pick up where I left off, the subjects under discussion being the same, often with the same cast of characters.

The most noticeable change has taken place in the bureau itself, which I left looking and smelling more or less like a newspaper office.

It seems the Independent-Journal is offering, for each six-months subscription to the paper, a choice of a 3 by 5-foot, 50-star American Flag or a 42 inch-tall dancing bunny. ("Your little boy or girl will love to slip the bunny's elastic straps over his shoes and spend countless happy hours being entertained by this grinning pixie," it says here.)

Both items are on display about the walls and counters, giving one the impression of being, at the same time, in Arlington Cemetery and Agner's Variety Store.

I DO NOT MEAN to imply the hinterland is devoid of news, however.

Only last week, for example, a goat, seemingly yearning for higher education, strolled into the principal's office at the Adaline E. Kent School.

Before Principal George Renworth and a half-dozen students were able to throw a rope on Mr. Whiskers, the office was a mess.

While the room was being mopped (literally) by the custodian, the goat was returned to the school's next-door neighbor who happens to be the goat's owner: the Cappel Brothers Fertilizer and Sanitary Disposal Service.

SCHOOL OFFICIALS are still wondering how the firm managed to function during the absence of the animal, which undoubtedly contributes a great deal toward the operation of the business.

A dancing bunny, anyone?

Kennedy Not Yet Communicating His Convictions To The People

WASHINGTON — While President Kennedy's popularity, as measured by the Gallup Poll, is high, he is still a long way from having behind him a reliable and effective majority. The narrowness of the election is still registered in Congress, particularly in the House, and the general upsurge of good feeling in the country has not yet crystallized as practical support of his program.

One might describe the public mood as one of growing good will and confidence without the excitement and enthusiasm of a crisis.

As of now, there are many more people who like Kennedy, and his appointments, and his style of operating in office, than there are people who understand and believe in what he is committed to doing. He will have to close this gap: he will have to persuade the large majority who like him that they must also believe in him.

UNTIL THIS IS done, important constructive measures of his administration are headed for serious trouble in Congress. Congress is not now feeling the pressure of a large, convinced Kennedy majority.

Such a majority cannot, I venture to think, be rallied wholly or in the main by personal popularity. As measured by the Gallup Poll, Kennedy probably is about as popular as was General Eisenhower after his first month in the White House. But his situation is radically different from Eisenhower's. He is committed to positive programs that require new laws and new appropriations and perhaps new taxes.

His predecessor was primarily interested in undoing rather than in doing. High personal popularity with a passive and negative program make for an easy life.

BUT PERSONAL popularity is not enough to carry with it an active and innovating program.

The President will have to find ways of communicating his own convictions to a working majority of the people.

Is he not doing that? Not adequately, so it seems to me. There is a missing element in his press conferences, his speeches and his public appearances, and for lack of it he receives much approval without creating sufficient conviction.

That missing element is, I think, the willingness to take the time and to take the trouble to explain, to expound, to describe—in a word, to teach.

JOHN KENNEDY is already proving himself to be an extraordinary chief executive. He has great gifts of precise analysis and judgment, he has a rare combination of courage with political sophistication. Indeed, he has all the makings of a great President.

But if he is to be a great President, he must be not only executive, organizer, politician, and popular leader. He must also be a popular teacher.

The greatest leaders are also great teachers.

The instinct to teach, to make himself understood because he has explained himself, has not yet shown itself in the President. I say not yet because I have no doubt that this instinct to teach is in him. It is in every man who has deep convictions and a passion to realize them.

James Joyce, author of "Ulysses," was quite a gay blade in his younger days in Dublin, and he and a jolly doctor friend cut many a caper together in the wee hours of the morning. One day they were escorting two busty blondes when their way was impeded by a big crowd, gathered around a man prostrate on the roadway. Joyce steered the tipsy doctor through the crowd, and watched him take the stricken man's pulse, and everyone waited with bated breath for the verdict.

"Well?" asked Joyce finally. "Well," answered the doctor firmly, "the poor fellow's dead, but I'll see what I can do."

Hollywood scribe Herb Stein interviewed actor Jose Ferrer recently in the star's home. Ferrer apologized for the absence of his wife, Rosemary Clooney, saying she was upstairs caring for their five children.

"What are their ages?" asked Stein. "Five, four, three, two and one," smiled Ferrer. "Golly," said Stein. "I hope I'm not keeping you."

After Four Months In The City It's Great Back In The Hinterland

"You can take the boy out of the country, but you can't take the country out of the boy."

So goes an old saying the truth of which my bosses discovered when they recently pulled me out of the Corte Madera - Larkspur - Kentfield area and set me in front of a typewriter amidst the hustle and hurry of San Rafael (pop. 20,640).

Two factors doomed the experiment to certain failure—meter maids and early hours.

Mostly the latter. Parking tickets can be paid off ("it's only money," another old saying goes), but to a professional pillow-pounder such as I, sleep is a precious thing which, once lost, is forever gone.

I TREMBLE WHEN I think of the past four months of groping the length of my Larkspur boardwalk in the dark, cold predawn hours, trying to arrive at my desk at 7:30 a.m., an hour I have always looked on as the middle of the night.

Needless to say, I didn't always make it, often hustling in with barely enough time to make a deadline with some sparkling prose on who, the night before, had scragged whom.

In the provinces, things are different. We maintain civilized office hours and concern ourselves mostly with news of P-TA meetings, building permits, dog ordinances, variances and garbage collection.

AFTER FOUR MONTHS absence, I find I am able to walk into city council meetings and pick up where I left off, the subjects under discussion being the same, often with the same cast of characters.

The most noticeable change has taken place in the bureau itself, which I left looking and smelling more or less like a newspaper office.

It seems the Independent-Journal is offering, for each six-months subscription to the paper, a choice of a 3 by 5-foot, 50-star American Flag or a 42 inch-tall dancing bunny. ("Your little boy or girl will love to slip the bunny's elastic straps over his shoes and spend countless happy hours being entertained by this grinning pixie," it says here.)

Both items are on display about the walls and counters, giving one the impression of being, at the same time, in Arlington Cemetery and Agner's Variety Store.

I DO NOT MEAN to imply the hinterland is devoid of news, however.

Only last week, for example, a goat, seemingly yearning for higher education, strolled into the principal's office at the Adaline E. Kent School.

Before Principal George Renworth and a half-dozen students were able to throw a rope on Mr. Whiskers, the office was a mess.

While the room was being mopped (literally) by the custodian, the goat was returned to the school's next-door neighbor who happens to be the goat's owner: the Cappel Brothers Fertilizer and Sanitary Disposal Service.

SCHOOL OFFICIALS are still wondering how the firm managed to function during the absence of the animal, which undoubtedly contributes a great deal toward the operation of the business.

A dancing bunny, anyone?

Kennedy Not Yet Communicating His Convictions To The People

WASHINGTON — While President Kennedy's popularity, as measured by the Gallup Poll, is high, he is still a long way from having behind him a reliable and effective majority. The narrowness of the election is still registered in Congress, particularly in the House, and the general upsurge of good feeling in the country has not yet crystallized as practical support of his program.

One might describe the public mood as one of growing good will and confidence without the excitement and enthusiasm of a crisis.

As of now, there are many more people who like Kennedy, and his appointments, and his style of operating in office, than there are people who understand and believe in what he is committed to doing. He will have to close this gap: he will have to persuade the large majority who like him that they must also believe in him.

UNTIL THIS IS done, important constructive measures of his administration are headed for serious trouble in Congress. Congress is not now feeling the pressure of a large, convinced Kennedy majority.

Such a majority cannot, I venture to think, be rallied wholly or in the main by personal popularity. As measured by the Gallup Poll, Kennedy probably is about as popular as was General Eisenhower after his first month in the White House. But his situation is radically different from Eisenhower's. He is committed to positive programs that require new laws and new appropriations and perhaps new taxes.

His predecessor was primarily interested in undoing rather than in doing. High personal popularity with a passive and negative program make for an easy life.

BUT PERSONAL popularity is not enough to carry with it an active and innovating program.

The President will have to find ways of communicating his own convictions to a working majority of the people.

Is he not doing that? Not adequately, so it seems to me. There is a missing element in his press conferences, his speeches and his public appearances, and for lack of it he receives much approval without creating sufficient conviction.

That missing element is, I think, the willingness to take the time and to take the trouble to explain, to expound, to describe—in a word, to teach.

JOHN KENNEDY is already proving himself to be an extraordinary chief executive. He has great gifts of precise analysis and judgment, he has a rare combination of courage with political sophistication. Indeed, he has all the makings of a great President.

But if he is to be a great President, he must be not only executive, organizer, politician, and popular leader. He must also be a popular teacher.

The greatest leaders are also great teachers.

The instinct to teach, to make himself understood because he has explained himself, has not yet shown itself in the President. I say not yet because I have no doubt that this instinct to teach is in him. It is in every man who has deep convictions and a passion to realize them.

Zoning Variances Decided In Ross

The Ross Town Council last night granted five zoning variances, denied one, deferred action on one, and had one withdrawn.

The council granted Western Metal Structures, Inc., a variance permit with several restrictions, to build one of its two requested houses on Redwood Avenue.

The main difference between the plan denied at last month's meeting and the one accepted last night was that the area between Redwood Avenue and the property line must have a retaining wall and be filled, rather than be bridged as previously requested.

A carport on stilts will be allowed, the council decided.

The company then withdrew the application for the second permit for the adjoining lot, pending completion of the first house.

The erection of a medical building at the southwest corner of Bolinas Avenue and Sir Francis Drake Boulevard, by Dr. David J. Farber, drew both support and protests from the audience.

Mrs. Farber, representing her husband, agreed to delay the request for a variance until the town's master plan is completed, perhaps in May.

The council denied a request by John Brorsen to erect a deck at his home which would be 15 feet from Chestnut Avenue and 10 feet from Bridge Road. Main objection to the deck was that it would be 20 feet above street level.

The council granted Robert L. Shearn of 153 Sir Francis Drake Boulevard a variance to enclose an upper front deck.

William E. Gaffney of 4 Skyland Way was given a variance to build a tool room at the rear of his carport, leaving a 35-foot rear yard area.

Lester A. Bricca was given permission to construct a carport and garden shed which would extend within eight feet of the east side of his property on Sylvan Lane.

A swimming pool cabana which would extend within 1½ feet of the property line will be built by Charles R. Trost of Upper Ames Avenue by consent of the council.

The council hired Robert T. Anderson as special attorney for the town to handle the Hamer case. Anderson's fees will be $30 an hour for his work, $100 a day while in court, with the total fee not to exceed $2,500.

In September 1957, the Ross Town Council denied Margaret E. Hamer of 1125 Sir Francis Drake Boulevard a permit to build a $250,000 apartment house on 1.95 acres of land. Subsequent appeals have led to court action by Mrs. Hamer.

The council made an agreement with Pacific Gas and Electric Co. to pay half, or $125, toward removal of a large oak tree at Winship Avenue and Sir Francis Drake Boulevard.

H. A. Blaine of 106 Elm Avenue, Larkspur, resigned as the town's official electrical inspector. The council will appoint his successor at its next meeting. The public safety committee will appoint an interim inspector.

Mayor Scott named Fred S. Allen to the community protection committee to replace himself. Russell Smith was named to the streets and parks committee to replace Allen. Smith was also named to the general government committee to replace Allen.

ROSS COUNCIL TRYING TO GET UPPER HAND

Is there any confusion in Ross between Upper Road and Upper Upper Road?

Do residents have any trouble finding a house on Redwood, only to find it is drive not avenue?

Are there any conflict between residents calling the same street different names?

The Ross Town Council wants to know so that it can make corrections before it puts out its official zoning map of the city in May, Councilmen last night agreed to seek citizen comments.

Calling All Italians Named Jones

NEW YORK (UPI)—Brooklyn dock boss Anthony (Tough Tony) Anastasia gave Liggett and Myers Tobacco Co. an ultimatum today—stop the portrayal of Italians as gangsters on the TV show "The Untouchables" or lose the business of his 10,000 longshoremen.

Anastasia, brother of murdered underworld executioner Albert Anastasia, added muscle to the campaign of the Federation of Italian-American Democratic Organizations to get the ABC-TV show (sponsored by Liggett and Myers) "to stop stereotyping Italians as criminals." He is Italian born and has a record of seven arrests since 1925.

He threatened a boycott of Liggett and Myers cigarettes by Brooklyn dock workers after picketing of the ABC studios by 250 demonstrators last night. At the demonstration, Geraldine Santangelo, member of the federation's board, gave ABC 48 hours to change gangsters' names on the show.

Miss Santangelo, whose cousin, Rep. Alfred E. Santangelo (D-N.Y.) is president of the federation, demanded that ABC "neutralize" the names of gangsters portrayed in the real-life adventures of late U.S. Treasury Agent Eliot Ness in the 1920s and 1930s.

"We want to remove the stigma which has been cast on us without transferring it to some other group," Miss Santangelo said. "I think this show should use all-American names, the sort of names that go way back in our history and have absorbed many immigrant blood lines. Smith and Jones are good examples of what I mean."

A spokesman for Liggett and Myers said there would be no comment on Anastasia's threat.

Hallinans Flying To Far East

The Vincent Hallinans of Ross and their 12-year-old son, Danny, will fly off to opposite sides of the world next week.

Danny will fly the polar route to England Tuesday on his first trip abroad. He will join his brothers Terence, 24, and Conn, 18, who have been in Europe since September.

Mr. and Mrs. Hallinan will fly next Friday to Tokyo on a business and pleasure trip. They plan to be away about a month and perhaps visit Hong Kong and other cities in the Orient.

Terence and Conn have been studying the English Labor party and working with Labor members of parliament during a tour of England and Scotland.

Danny and his brothers will spend two months touring Scandinavia and the Soviet Union, making a study of institutions and procedures in those countries. In Stockholm they will attend a convention of socialist parties of Europe.

Three Hallinan boys remain at home—Patrick, 26; Michael, 22, and Matthew, 20, all students at the University of California.

Novato Chamber Elects Officers

Irving Chapman of Chapman's Shoes was elected president of the Novato Chamber of Commerce last night.

Also elected were Paul Binford of Woody's TV and Hi-Fi Co., vice president and William Berry of the First National Bank, treasurer.

The new officers and directors will be installed at the annual meeting March 18 at Marin Golf Club.

Newspapers Are Help, School Aides Told

Supt. Harold Spears of the San Francisco Unified School District last night urged school administrators to "stop living in fear of the newspapers, because they can help you."

Spears was a member of a speakers' panel at a dinner meeting of the Marin County School Administrators Assn. honoring the local press and radio at the Alta Mira Hotel in Sausalito.

Forty persons heard San Francisco Chronicle Foreign News Editor Ed Radenzel question "Can Johnny's Parents Read?" and cite the crisis in education.

Other panel speakers were Alexander Bodi, editor of the Palo Alto Times, and Wallace W. Hall, associate state superintendent of public instruction Richard L. Foster, superintendent of Jefferson Elementary School District in Daly City, moderated the panel discussion. Both Hall and Foster are former Marin County superintendents.

U.S. Is Looking Into Cargo Handling Dispute

SAN FRANCISCO (AP) — The Federal Conciliation Service began looking into closed San Francisco and Los Angeles waterfronts today to see if it could help settle the cargo handling dispute.

Regional Director Arthur Viat began contacting shipowners, truck operators and Teamsters Union officials. On the basis of these preliminary talks he will decide whether to assign a mediator.

San Francisco's docks were closed down by Teamster pickets last night as a cargo handling dispute spread from Los Angeles harbor.

More than a thousand longshoremen walked off jobs here when Teamster pickets appeared and 3,000 stevedores were reported out in Los Angeles.

A separate dispute which shut down four docks yesterday was settled during the night when arbitrator Sam Kagel ruled that ships clerks violated their International Longshoremen's and Warehousemen's Union contract by walking off the job. The same piers were closed again by Teamster pickets.

The strike started in Los Angeles-Long Beach Harbor Tuesday. Teamsters started picketing in San Francisco yesterday when the manager of Pier 37 refused to allow them to transfer coffee bags from Longshore pallets to Teamster pallets.

A pallet is a movable platform for easy handling of cargo. In the past, the Teamsters have transferred cargo from Longshore pallets to their own before loading trucks.

A new automation contract between ship owners and the International Longshoremen's and Warehousemen's Union provides for a single pallet, with some five million dollars in compensating pay promised for work lost by the change.

Teamsters demand either the same work or compensating pay for themselves.

School Trustee Race Narrows

The race for three posts on the Ross School District board at stake in the April 18 election was reduced to four candidates today.

George D. Hart, incumbent completing a three-year term on the board after serving about two years previously by appointment, notified County Supt. Virgil S. Hollis he is withdrawing.

Hart said he has decided against seeking re-election for personal reasons.

Candidates now in the field are Ray A. Hubbard, William C. Bricca and William A. Niccolls. Filings will remain open until next Friday.

Fair Play Housing Meeting Planned

A general meeting for signers of the Marin Committee for Fair Play in Housing pledge will be held tonight at 8 o'clock at Alexander Hall of the San Francisco Theological Seminary, San Anselmo.

Chairman Lucile Dandelat reported there will be an updating and planning for new projects. After a coffee break at 10 p.m., a short color film, "Picture in Your Mind," will be shown.

Power Grinding Set Reported Stolen

The theft of a power grinding set valued at $125 from the Parks Auto Electric Co., 101 Francisco Boulevard, was reported Wednesday to San Rafael police.

Thomas V. Parks of 316 Mountain View Avenue, San Rafael, said the machine was last used on Feb. 2, but was not missed until Feb. 16. The theft was not reported to the police until Wednesday.

High School Preference To Be Asked

Questionnaires asking parents of high school students from San Jose Elementary School District whether they prefer their children to attend San Rafael or Novato High will be sent out within a few days.

The letters are signed by Mrs. Michael Doran, head of a committee seeking merger of the San Jose district with the Novato Unified School District. San Jose is now in the San Rafael High School District.

Parents of the 391 high school students will be asked to give their preferences. Letters also will go to parents of about 100 Pacheco School eighth graders, who will attend high school in the Fall, the committee decided.

Results of the questionnaires should be available in two weeks, Mrs. Doran said.

The committee also decided last night to be represented at meetings of the county committee on school district reorganization.

Two new members have been added to the merger committee, Mrs. Doran announced. They are Mr. and Mrs. Leonard Pirato of Hamilton Air Force Base. Members are still needed from Raphael Village, she said.

Clothing Taken From Parked Cars

Clothing was taken from two unlocked cars last night at the Country Club Bowl at 88 Vivian Way, San Rafael police reported.

George J. Silvestri of 260 Mountain View Avenue, San Rafael, reported to police that two tan trenchcoats, two sport shirts and two pair of trousers, valued at $80 were taken from his car.

Donald J. Palaia, of 55 Canal Street, San Rafael, reported five pairs of khaki pants, valued at $15, were taken from his car.

Library Friends Being Organized

A public meeting to organize a Friends of the Mill Valley Library group will be held March 23 at 8 p.m. in the Mill Valley library.

The meeting was called by library trustees last night. Lawrence W. Jordan Jr. was named acting chairman of a steering committee to discuss how the group would function. Its aims would be to promote improved library service and stimulate interest in library activities.

The board approved spending $54 for a book cart, which can be locked to enclose two sets of children's encyclopedia, to prevent theft of books. Twelve volumes have been stolen in recent months, librarian Dorothy Thomas said.

Trustees announced a subcommittee, consisting of president Dorothy W. Peavey, Mrs. Thomas and Mrs. Schlemmer to work with the junior chamber of commerce on a survey of library use.

More than a thousand longshoremen walked off jobs here when Teamster pickets appeared and 3,000 stevedores were reported out in Los Angeles.

A separate dispute which shut down four docks yesterday was settled during the night when arbitrator Sam Kagel ruled that ships clerks violated their International Longshoremen's and Warehousemen's Union contract by walking off the job. The same piers were closed again by Teamster pickets.

The strike started in Los Angeles-Long Beach Harbor Tuesday. Teamsters started picketing in San Francisco yesterday when the manager of Pier 37 refused to allow them to transfer coffee bags from Longshore pallets to Teamster pallets.

A pallet is a movable platform for easy handling of cargo. In the past, the Teamsters have transferred cargo from Longshore pallets to their own before loading trucks.

A new automation contract between ship owners and the International Longshoremen's and Warehousemen's Union provides for a single pallet, with some five million dollars in compensating pay promised for work lost by the change.

Teamsters demand either the same work or compensating pay for themselves.

School Trustee Race Narrows

The race for three posts on the Ross School District board at stake in the April 18 election was reduced to four candidates today.

George D. Hart, incumbent completing a three-year term on the board after serving about two years previously by appointment, notified County Supt. Virgil S. Hollis he is withdrawing.

Hart said he has decided against seeking re-election for personal reasons.

Candidates now in the field are Ray A. Hubbard, William C. Bricca and William A. Niccolls. Filings will remain open until next Friday.

Fair Play Housing Meeting Planned

A general meeting for signers of the Marin Committee for Fair Play in Housing pledge will be held tonight at 8 o'clock at Alexander Hall of the San Francisco Theological Seminary, San Anselmo.

Chairman Lucile Dandelat reported there will be an updating and planning for new projects. After a coffee break at 10 p.m., a short color film, "Picture in Your Mind," will be shown.

Power Grinding Set Reported Stolen

The theft of a power grinding set valued at $125 from the Parks Auto Electric Co., 101 Francisco Boulevard, was reported Wednesday to San Rafael police.

Thomas V. Parks of 316 Mountain View Avenue, San Rafael, said the machine was last used on Feb. 2, but was not missed until Feb. 16. The theft was not reported to the police until Wednesday.

High School Preference To Be Asked

Questionnaires asking parents of high school students from San Jose Elementary School District whether they prefer their children to attend San Rafael or Novato High will be sent out within a few days.

The letters are signed by Mrs. Michael Doran, head of a committee seeking merger of the San Jose district with the Novato Unified School District. San Jose is now in the San Rafael High School District.

Parents of the 391 high school students will be asked to give their preferences. Letters also will go to parents of about 100 Pacheco School eighth graders, who will attend high school in the Fall, the committee decided.

Results of the questionnaires should be available in two weeks, Mrs. Doran said.

The committee also decided last night to be represented at meetings of the county committee on school district reorganization.

Two new members have been added to the merger committee, Mrs. Doran announced. They are Mr. and Mrs. Leonard Pirato of Hamilton Air Force Base. Members are still needed from Raphael Village, she said.

Clothing Taken From Parked Cars

Clothing was taken from two unlocked cars last night at the Country Club Bowl at 88 Vivian Way, San Rafael police reported.

George J. Silvestri of 260 Mountain View Avenue, San Rafael, reported to police that two tan trenchcoats, two sport shirts and two pair of trousers, valued at $80 were taken from his car.

Donald J. Palaia, of 55 Canal Street, San Rafael, reported five pairs of khaki pants, valued at $15, were taken from his car.

TOURNAMENT OF CHAMPIONS

Redwood Bows To Monterey; Takes On Livermore Today

By GLENN BECKER

Marin County champion Redwood, unable to overcome the poor shooting which plagued it throughout the game, fell last night before Monterey 42-31 in the first round of the Tournament of Champions at Berkeley.

The Giants thus joined in the consolation bracket when action resumes today: Sacred Heart, 30-24 losers to Vallejo; Livermore, which was dropped by defending king McClymonds, 47-33; and Richmond, previously undefeated in 24 games this season, but last night the victim of Eureka in one of the great upsets in the tournament's 15 year history.

Although they trailed throughout, the Giants battled the taller Monterey Toreadors right down to the final buzzer, and conceivably might have beaten them, had the shooting percentages been more even. But that is the name of this game, and so Redwood will have to concentrate now on beating Livermore.

TALL COWBOYS

The Cowboys are another sizable quintet, whose 6-foot-5½ forward Erwin Mueller tallied 17 points in last evening's losing effort against McClymonds.

Redwood's Rich Brear, all-MCAL this season, led the game scoring with 14 points, and also grabbed 9 rebounds. Brear, with 6 for 16, and guard Herb Schrieber, 3 for 8, were the only Giants who could sink a decent percentage of their field goal attempts. Overall, Redwood bagged 13 buskets in 42 attempts for 31 per cent, after going 4 for 20 and 20 per cent in the first half. Meanwhile, Monterey was sizzling hot in the first half, sinking 9 of 21 for 43 per cent. Shooting over the tough Redwood zone defense, 6-foot-2 guard Larry Cooley lofted in four long jump shots in the first period to pace Monterey to a quarter lead of 12-6. This was stretched to 21-11 at the half. For the game Monterey shot 16 for 41 for 39 per cent.

POOR SHOOTING

Outrebounded 41-29 and outshot from the floor, Redwood nevertheless might have pulled the game out of the fire if it had been able to connect on free throws. Out of 18 tries, five of them of the one-and-one bonus variety, Coach Dick Hart's Giants could find the range on only five.

After the Redwood-Livermore fray at 4:30 today, Sacred Heart of San Francisco and Richmond will mix it up in the other consolation game at 6 o'clock. The winners of these contests will meet Saturday evening for fifth place, while the losers have been eliminated from the tourney.

The pairings in the championship round show McClymonds tackling Monterey at 7:30, and the hustling Eureka Loggers of the small Humboldt-Del Norte League facing Vallejo of the North Bay League. After their stunning upset over northern California's top-ranked quintet Richmond, the fast-breaking Loggers, paced by 6-foot-8 center John Murray, would seem to take on the role of co-favorites along with McClymonds to reach the finals tomorrow night.

Sam Jones His Own Worst Enemy With Underhand Showboat Throws

HANLEY

PHOENIX, Ariz. — There have been occasions when Sam Jones is his own worst enemy. The Toothpick Man knows this, particularly when he gives an underhand showboat treatment to slow infield grounders.

Sam's 18-14 record in 1960 was a puzzler that included an amazing 15-4 in Candlestick and a baffling 3-10 on the road. His road record just as easily could have been 6-10 provided Sam we're not plagued by the underhand menace.

There was the night in Los Angeles when, the bags loaded, he got a perfect double play ball — a little roller back to the mound. Sam fielded it neatly and then, perhaps because he has been doing it for years and never has been corrected, whipped the ball underhand to the plate. Only thing wrong was that it sailed three feet wide of Bob Schmidt and a couple of Dodger runs raced in.

There was another night in Pittsburgh when, with two Pirates on, Sam gave the underhand treatment to a third out and his throw to first sailed into right field. And then in St. Louis, Sam let another underhand bullet get away with bitter results.

IT'S DOUBTFUL that Alvin Dark will be able to break Jones of his underhand throwing habit on infield grounders. Bill Rigney couldn't and Jones would do just about anything for Rigney.

Naturally, Jones is aware — acutely aware — of the danger inherent in the underhand assist. Why he uses it instead of the orthodox sidearm or overhand assist is difficult to explain. He just finds himself doing it, sort of instinctively.

Larry Jansen, Dark's pitching coach, said no special means would be attempted in breaking Jones of the underhand habit which is about the only thing on which you can fault the big fellow whose heart is ruggedly competitive and receptive to seemingly limitless work.

"IT'S NOT easy teaching new tricks to an old hand," said Jansen. "Actually this would be no new trick for Sam. He does make most of his assists in the accepted style. It's only occasionally that he resorts to the underhand flip."

But when Sam does resort to it, keep your fingers crossed because it's anybody's guess whether the throw will be on target.

Dark, a clean living, noncussing manager, doesn't have many gray hairs now. But if he uses Jones as much as he intends in starting and relieving roles, Sam is bound to forget at least once during the season and let fly with an underhand beauty that may give Alvin an additional sprinkling of gray.

And what about Sam's feeling of a lot of relief work?

"SO FAR as I know, I'm to be a starter," he said. "I don't mind helping out but I don't want to be a permanent relief man. If I could start every fourth day, I could relieve a couple of times in between for an inning or two.

"The one thing I want is for us to win. I'm for the success of the team and I'd like to get in one World Series before it's too late."

And what about the arm? Will it stand all the work?

"It's broke," said the 36-year-old campaigner, giving the standard answer he has given the past several years to all inquiries about his overworked arm.

Patterson, who defends his title against Ingemar Johansson in the same hall Monday, was given a bible by Graham.

Net scoring leaders:

Champ Floyd Sparkles In Final Drills

MIAMI BEACH, Fla. (AP) — Heavyweight champion Floyd Patterson's final boxing workout was the talk of the town today. Whether this was a good sign or not for Patterson remains to be seen.

While opponent Ingemar Johansson visited friends in the Palm Beach area, the 26-year-old champion bombed his sparring partners yesterday with a full assortment of punches. They were thrown from all angles with precision, speed and power. Many of them were unloaded in clusters of two, three and four.

When it was all over sparmates Wilson Hannibal and John Henry said the champ never looked better.

"He'll knock Ingemar's head off," said Henry, a 210-pounder from New York. "I don't think it will go five rounds."

But Patterson, after the workout, said, "I didn't go all out. I have had much better workouts."

Patterson defends his title against Johansson in their third fight at Miami Beach's Convention Hall Monday night.

SALES PITCH

At his press conference following the workout, Patterson made a pitch to help the ticket sale. He said another thousand tickets will be available at $20 each.

A source in a position to know said that the fight will do well to gross $500,000 on a sale of 12,000 tickets for the 17,000-seat hall.

The closed circuit telecast to theaters and arenas, however, represents the big payoff for the fighters. The fight will be shown in 207 locations in the U.S. and Canada.

Most of Johansson's purse will be tied up temporarily after the fight by a U.S. government claim for $598,181 in back income tax. The government, in another action disclosed that Ingo, had received a $250,000 advance a month ago on the purse for the third fight. This has been deposited in Switzerland.

The government yesterday sought a court order to make Johansson and Fugazy return the money to the United States. Federal District Judge Emett C. Choate ordered them to appear in court sometime next week after the fight, to reply to the government action.

G. G. Fields Opens Season Tomorrow

ALBANY (AP) — Tomorrow is opening day for the 50-day spring racing meet at Golden Gate Fields.

Revel, carrying 130 pounds, heads a field of six in the first feature race, the $10,000 added East Bay Handicap, a six furlong test.

Revel is the only horse ever to beat Rex Ellsworth's Prove It. Revel equaled the Santa Anita track record of 1:15 3-5 for 6½ furlongs Jan. 2, when he beat Prove It by a half length in the Antelope Valley Purse.

That was Prove It's only defeat in 10 races.

Tars Toast Of Tournament

I-J SPECIAL REPORT

SANTA MARIA—Needled by their opponents and ridiculed by spectators, College of Marin Tars last night had the last laugh by scoring a tremendous upset in the opening of the California Junior College Basketball Championships here.

Playing what Coach Cal Riemcke described as "the greatest performance any of my teams have played in 11 years of coaching," the little Tars knocked down and all but stomped on the heavily favored and towering Bakersfield College team by a convincing 76-64 decision.

Tonight at 8:30 Marin meets defending champion San Jose. "They're tough," Riemcke noted, but our kids came here to play basketball and we'll give 'em a game." San Jose last night defeated Palomar 72-63. Other games saw Los Angeles City College edge Oakland 88-85 and Fullerton trim Fresno 86-81.

Riemcke, who spent a sleepless night" because I'm so excited, used such adjectives as "fabulous, fantastic, tremendous" to describe his Tars' victory last night.

The win was sweet because Bakersfield players, staying at the same hotel, needled Marin before the game because of the Tars' small size. Looking down on the Mariners in the hotel lobby, the Bakersfield giants said they looked more like "high school players."

And, further ridicule was poured on the Golden Valley Conference champs when they first came out onto the floor. The difference in size between the two teams drew laughter from the crowd. Bakersfield averages 6-feet-2½ to Marin's 5-11.

But the jeers soon turned to cheers as the Tars started outshooting their foes right at the start and had a six-point lead after fifteen minutes of play.

It was at this point Marin was forced to change its strategy. As Riemcke explains: "Bakersfield looked at that time to have worked up a good defense against us, so we switched our

POOR SHOOTING

Outrebounded 41-29 and outshot from the floor, Redwood nevertheless might have pulled the game out of the fire if it had been able to connect on free throws. Out of 18 tries, five of them of the one-and-one bonus variety, Coach Dick Hart's Giants could find the range on only five.

After the Redwood-Livermore fray at 4:30 today, Sacred Heart of San Francisco and Richmond will mix it up in the other consolation game at 6 o'clock. The winners of these contests will meet Saturday evening for fifth place, while the losers have been eliminated from the tourney.

The pairings in the championship round show McClymonds tackling Monterey at 7:30, and the hustling Eureka Loggers of the small Humboldt-Del Norte League facing Vallejo of the North Bay League. After their stunning upset over northern California's top-ranked quintet Richmond, the fast-breaking Loggers, paced by 6-foot-8 center John Murray, would seem to take on the role of co-favorites along with McClymonds to reach the finals tomorrow night.

Sam Jones His Own Worst Enemy With Underhand Showboat Throws

HANLEY

PHOENIX, Ariz. — There have been occasions when Sam Jones is his own worst enemy. The Toothpick Man knows this, particularly when he gives an underhand showboat treatment to slow infield grounders.

Sam's 18-14 record in 1960 was a puzzler that included an amazing 15-4 in Candlestick and a baffling 3-10 on the road. His road record just as easily could have been 6-10 provided Sam we're not plagued by the underhand menace.

There was the night in Los Angeles when, the bags loaded, he got a perfect double play ball — a little roller back to the mound. Sam fielded it neatly and then, perhaps because he has been doing it for years and never has been corrected, whipped the ball underhand to the plate. Only thing wrong was that it sailed three feet wide of Bob Schmidt and a couple of Dodger runs raced in.

There was another night in Pittsburgh when, with two Pirates on, Sam gave the underhand treatment to a third out and his throw to first sailed into right field. And then in St. Louis, Sam let another underhand bullet get away with bitter results.

IT'S DOUBTFUL that Alvin Dark will be able to break Jones of his underhand throwing habit on infield grounders. Bill Rigney couldn't and Jones would do just about anything for Rigney.

Naturally, Jones is aware — acutely aware — of the danger inherent in the underhand assist. Why he uses it instead of the orthodox sidearm or overhand assist is difficult to explain. He just finds himself doing it, sort of instinctively.

Larry Jansen, Dark's pitching coach, said no special means would be attempted in breaking Jones of the underhand habit which is about the only thing on which you can fault the big fellow whose heart is ruggedly competitive and receptive to seemingly limitless work.

"IT'S NOT easy teaching new tricks to an old hand," said Jansen. "Actually this would be no new trick for Sam. He does make most of his assists in the accepted style. It's only occasionally that he resorts to the underhand flip."

But when Sam does resort to it, keep your fingers crossed because it's anybody's guess whether the throw will be on target.

Dark, a clean living, noncussing manager, doesn't have many gray hairs now. But if he uses Jones as much as he intends in starting and relieving roles, Sam is bound to forget at least once during the season and let fly with an underhand beauty that may give Alvin an additional sprinkling of gray.

And what about Sam's feeling of a lot of relief work?

"SO FAR as I know, I'm to be a starter," he said. "I don't mind helping out but I don't want to be a permanent relief man. If I could start every fourth day, I could relieve a couple of times in between for an inning or two.

"The one thing I want is for us to win. I'm for the success of the team and I'd like to get in one World Series before it's too late."

And what about the arm? Will it stand all the work?

"It's broke," said the 36-year-old campaigner, giving the standard answer he has given the past several years to all inquiries about his overworked arm.

Patterson Appears With Billy Graham

MIAMI BEACH, Fla. (AP) — Heavyweight champion Floyd Patterson was a platform guest of Billy Graham when the evangelist addressed a Crusade for Christ audience of 10,700 at Convention Hall.

Patterson, who defends his title against Ingemar Johansson in the same hall Monday, was given a bible by Graham.

Mrs. Frank Hughes' 89 won low gross honors yesterday as the Marin Golf Club's women's division conducted a guest day, 18-hole medal handicap tournament.

Net scoring leaders:

Class B—Mrs. Gordon Wardlaw, 98-25—73; Mrs. Robert Vannucci, 101-23—78; Mrs. R. W. Schultz, 106-24—82; Mrs. W. J. Todd, 107-24—83; Mrs. Howard Kemper, 107-24—83.

Champ Floyd Sparkles In Final Drills

MIAMI BEACH, Fla. (AP) — Heavyweight champion Floyd Patterson's final boxing workout was the talk of the town today. Whether this was a good sign or not for Patterson remains to be seen.

While opponent Ingemar Johansson visited friends in the Palm Beach area, the 26-year-old champion bombed his sparring partners yesterday with a full assortment of punches. They were thrown from all angles with precision, speed and power. Many of them were unloaded in clusters of two, three and four.

When it was all over sparmates Wilson Hannibal and John Henry said the champ never looked better.

"He'll knock Ingemar's head off," said Henry, a 210-pounder from New York. "I don't think it will go five rounds."

But Patterson, after the workout, said, "I didn't go all out. I have had much better workouts."

Patterson defends his title against Johansson in their third fight at Miami Beach's Convention Hall Monday night.

SALES PITCH

At his press conference following the workout, Patterson made a pitch to help the ticket sale. He said another thousand tickets will be available at $20 each.

A source in a position to know said that the fight will do well to gross $500,000 on a sale of 12,000 tickets for the 17,000-seat hall.

The closed circuit telecast to theaters and arenas, however, represents the big payoff for the fighters. The fight will be shown in 207 locations in the U.S. and Canada.

Most of Johansson's purse will be tied up temporarily after the fight by a U.S. government claim for $598,181 in back income tax. The government, in another action disclosed that Ingo, had received a $250,000 advance a month ago on the purse for the third fight. This has been deposited in Switzerland.

The government yesterday sought a court order to make Johansson and Fugazy return the money to the United States. Federal District Judge Emett C. Choate ordered them to appear in court sometime next week after the fight, to reply to the government action.

G. G. Fields Opens Season Tomorrow

ALBANY (AP) — Tomorrow is opening day for the 50-day spring racing meet at Golden Gate Fields.

Revel, carrying 130 pounds, heads a field of six in the first feature race, the $10,000 added East Bay Handicap, a six furlong test.

Revel is the only horse ever to beat Rex Ellsworth's Prove It. Revel equaled the Santa Anita track record of 1:15 3-5 for 6½ furlongs Jan. 2, when he beat Prove It by a half length in the Antelope Valley Purse.

That was Prove It's only defeat in 10 races.

Tars Toast Of Tournament

I-J SPECIAL REPORT

SANTA MARIA—Needled by their opponents and ridiculed by spectators, College of Marin Tars last night had the last laugh by scoring a tremendous upset in the opening of the California Junior College Basketball Championships here.

Playing what Coach Cal Riemcke described as "the greatest performance any of my teams have played in 11 years of coaching," the little Tars knocked down and all but stomped on the heavily favored and towering Bakersfield College team by a convincing 76-64 decision.

Tonight at 8:30 Marin meets defending champion San Jose. "They're tough," Riemcke noted, but our kids came here to play basketball and we'll give 'em a game." San Jose last night defeated Palomar 72-63. Other games saw Los Angeles City College edge Oakland 88-85 and Fullerton trim Fresno 86-81.

Riemcke, who spent a sleepless night" because I'm so excited, used such adjectives as "fabulous, fantastic, tremendous" to describe his Tars' victory last night.

The win was sweet because Bakersfield players, staying at the same hotel, needled Marin before the game because of the Tars' small size. Looking down on the Mariners in the hotel lobby, the Bakersfield giants said they looked more like "high school players."

And, further ridicule was poured on the Golden Valley Conference champs when they first came out onto the floor. The difference in size between the two teams drew laughter from the crowd. Bakersfield averages 6-feet-2½ to Marin's 5-11.

But the jeers soon turned to cheers as the Tars started outshooting their foes right at the start and had a six-point lead after fifteen minutes of play.

It was at this point Marin was forced to change its strategy. As Riemcke explains: "Bakersfield looked at that time to have worked up a good defense against us, so we switched our

Rookies Star For Giants; Title Talk Invades Camp

PHOENIX, Ariz. — The San Francisco Giants hold their third and last intra-squad game today.

They take the bus to Tucson tomorrow to launch the 27-game Cactus League schedule against their long time foe, Cleveland.

Yesterday, the Salty Parkers defeated the Whitey Lockmans, 3-1, in intra-squad action.

Utility infielder Joe Amalfitano belted the first official homer of spring camp in the first inning. It came off Sam Jones.

Rookie pitchers Ray Daviault and Jim Duffalo and veteran Billy Loes were the pitchers who drew special praise from Manager Alvin Dark.

Rookie catcher John Orsino cracked a double and a single to lead the Parkers' attack. Rookie infielder Ferrell Bowman had two safeties for the losers.

Willie Mays made his first appearance at the plate and went hitless in three trips. He did back rookie Manual Mota to the right field fence to haul down on of his drives, however.

Dark announced that Harvey Kuenn and Eddie Bressoud would be withheld from action until Tuesday or Wednesday. Both are fighting muscle sprains.

Meanwhile, Dark doesn't like talk that his Giants might take the National League pennant in 1961, but it is cropping up at the camp just as it has in past seasons.

One unidentified player was heard to say: "We've got the best chance to win it. We're a better club than we were a year ago, and a year ago we were 6-5 favorites.

"(Jim) Davenport's heavier and stronger. The pressure's off (Don) Blasingame. (Willie) McCovey's got his weight down. The catching has a year at Candlestick under its belt and we know Schmitty (Bob Schmidt) can hit there. "We've got Harvey Kuenn and Juan Marichal."

But Dark is concentrating on other things. Willie McCovey, 1959's hitting hero who went into a slump and got sent to Tacoma last year, will get special attention beginning Saturday.

Whitey Lockman, coach with the job of seeing that McCovey regains hit hitting prowess, feels there is much to do before the first baseman proves himself.

Ump Jocko Conlan Still Defends Marichal's Unorthodox Delivery

CONNOLLY

PHOENIX — The anxiety of Juan Marichal over his so-called controversial pitching stance came to an abrupt end here today when Jocko Conlan, veteran National League umpire, ruled it perfectly legal.

"There's no rule violation the way Marichal throws from the side of the pitching rubber," Jocko explained, "because he is in the box when he throws the ball."

Charley Dressen of the Milwaukee Braves last year tried unsuccessfully to confuse Marichal and almost got thrown out of the game arguing with Ump Conlan that Marichal balked each time he threw a pitch.

"Dressen came out of the dugout brandishing a rule book at me," Conlan laughingly explained. "Before he could open the rule book, I thumbed him back to the bench with the notation that Ol' Man Conlan wrote the rule and Ol' Man Conlan is interpreting it properly."

Marichal, one of Alvin Dark's pitching aces, is rarin' and ready. He played some winter ball in the Dominican League and was really ready when he reported.

Juan has some sort of a record for 1960. He won six games, lost two and pitched six complete games in 11 starts.

LEFTY O'DOUL, over the radio here, was asked about Bill Rigney.

Lefty retorted: "He's the luckiest guy in organized baseball."

"Why," asked quizz master.

"He was fired when he was in second place. Had he been allowed to remain all season the club wouldn't have finished any better and he would not be wanted. But because he had the club in second place when he was canned, he became a hero and thus we find with the new American League club in Los Angeles," explained handsome Francis O'Doul.

WILLIE MAYS hit .319 last season and the brochure on the Giants reveals that he hit only .299 at home and .338 on the road. McCovey hit .203 at home and .270 on the road. Cepeda at home hit .295 and on the road .299. Alou averaged .284 on the road and .242 at home. Bob Schmidt hung up a .278 on the road and a mere .257 at home.

A GLANCE at the pitching averages produces some slick figures. For instance Sam Jones, who won 18 and 14, pitched 234 innings, allowed 200 hits, fanned 190 and walked 91.

Mike McCormick with 15 wins and 12 losses pitched 253 innings, allowed 228 hits, struck out 154 and walked 65.

Jack Sanford won 12 and lost 14 and pitched a total of 219 innings, allowed 199 hits, fanned 125, walked 99 and pitched six shutouts.

Marichal won 6 and lost 2 games, pitched only 81 innings, allowed 59 hits, fanned 58, and walked 28.

AN INTERESTING batting record is revealed in the Giants' lifetime figures. Harvey Kuenn and Willie Mays have each played nine consecutive years. And believe it or not Kuenn hit for a grand total of 1518 against Willie Mays' 1481. The runs batted in figures swing hard for Mays who collected 811 against Kuenn's 477. In the home run department Mays collected 279 against Kuenn's meager 62.

THE THREE young standout rookie pitchers with the Giants are Ray Daviault, a 26-year-old Canadian; Bobby Bolin, from Hickory Grove, South Carolina; and Jim Duffalo, a six year minor leaguer at 25 years of age.

These are three besides Eddie Fisher who are grabbing a lot of attention from Larry Jansen, pitching coach.

Longden Narrowly Averts Bad Fall At Santa Anita

ARCADIA (AP) — Only one victory away from his 5,500th riding victory, jockey Johnny Longden narrowly averted a bad spill yesterday in the third race at Santa Anita.

Grandpa John, at 54 the real veteran among the riders, gave a masterful display of horsemanship before a crowd of 23,659 as Beau Gris stumbled badly at the start and almost went down.

Beau Gris, as he stumbled, ducked sharply into Moneyman. Longden lost his right stirrup and was almost catapulted from the saddle. It took him about two strides to regain his position on his mount, and he had Beau Gris going in stride in short order. He finished seventh in the 11-horse field.

TRAINING CAMPS

Jensen Fabulous With Booming Bat

By U.P. INTERNATIONAL

They're changing that big questionmark after Jackie Jensen's name on the Boston Red Sox roster to an even bigger exclamation point.

Two intra-squad games don't make a season, but Jensen's sensational slugging has already convinced Manager Mike Higgins that he'll have no trouble making a comeback after his year of self-imposed retirement. Jensen sat out the 1960 season but is being counted on to regain his 1958-59 form and make up for the Red Sox' loss of the retired Ted Williams.

Jensen, the American League's most valuable player in 1958 and its runs batted in leader in both 1958 and 1959, hit two homers and drove in four runs yesterday in the Red Sox' intra-squad game. It was the second straight game in which he has knocked in four runs and his two-game batting average is a mere 1.000—six hits in six attempts.

Vic Wertz, another key veteran if the Red Sox are to improve on their seventh-place finish of 1960, drove in two runs and now has knocked in six in two games.

HEAVY HITTING

Heavy hitting by Haywood Sullivan and Joe Pignatano, a pair of catchers acquired during the off-season, featured the Kansas City Athletics' intra-squad game. Sullivan belted out three hits to lead the winning team while Pagnatano connected for a 360-foot homer.

Jerry Marx, 19-year-old bonus shortstop, starred for the St. Louis Cardinals by collecting four hits, driving in two runs and stealing a base. Gary Kolb, former Illinois football player, also drove in two runs and Mickey McDermott, a free agent trying a comeback, pitched one-run ball for three innings.

The Cleveland Indians abolished the position of general manager and split the duties between vice president Nate Dolin and Hoot Evers. Evers, who had been handling the general manager's duties, becomes director of player personnel. He said he had rejected offers from several other major league teams to remain with the Indians.

DiMag To Try His Hand As Hitting Coach

ST. PETERSBURG, Fla. (UPI) —Joe DiMaggio is going to do his best to help the New York Yankees this spring, but he's not interested in returning to baseball as a manager.

"Thanks, but no thanks," the 46-year-old Hall of Famer quipped yesterday when asked whether he had any ideas about managing a major league team. "How long do managers last? I'm happy with what I'm doing."

DiMaggio romped with the Yankees yesterday for the first time since he retired nine years ago. He weighed in at 195 pounds — exactly the same weight as when he played his last game—and displayed the same flawless grace which helped to make him famous.

DiMaggio said he would make himself "available" to any young Yankee who might want his help, but pointed out: "I know I can't teach a man to hit in the two weeks I'm going to be here. Besides, the Yankees have a very good hitting coach in Wally Moses."

Di Maggio went to the Yankee camp for a two-week special training period at the request of co-owner Dan Topping. He was greeted warmly by Manager Ralph Houk and the other Yankees when he trotted onto the field in his familiar No. 5 uniform and, of course, was beseiged by photographers and newsmen.

"I'd have been back before," he said, "but I wasn't asked."

Davey Moore Signs To Defend Title

offense to a stall pattern. We took our time, worked the ball around them for easy layups. We did this for 25 minutes and didn't falter once."

In spite of the height disadvantage Ron Blum and Dale Aman managed to control the defensive backboards, although Bakersfield dominated the rebounds under its defensive boards. "We had to make the most of our shots," said Riemcke, "and we hit on 47 per cent from the floor."

Aman hit 7 field goals and 7 free tosses for 21 points. Blum and Lynn Livie were right behind with 20 apiece. Ernie Bray contributed 9 and John Blomquist 6 as only five players accounted for all Marin's scoring. Mike Gaffney was the only Marin reserve to see action.

Riemcke praised Blomquist for a tremendous man-to-man defensive effort on Bakersfield ace Bob Hasen, holding him to 15 points, 10 below his average. The other four Tars played a zone defensive.

The win, Riemcke beamed proudly, "made us the toast of the tournament. Everybody likes to see the little guys, the underdogs, win. We did it!"

Former Tamite Thomas Stopped By 'Comeback Kid'

LOS ANGELES (UPI) — Comeback Kid Alfredo Escobar, 130½, Los Angeles, stopped Billy Thomas, 128 Marin City, at 2:48 of the seventh round last night at the Olympic Auditorium.

It was Escobar's fourth straight knockout victory since he resumed his boxing career last November.

Thomas, former Tamalpais High School athlete, was battered helpless when the referee stopped the onslaught.

Potent Hamilton Ring Team Opens Golden Gloves Bouts

With 10 entries in 9 events, the Hamilton Air Force Base boxing team is favored to grab a good share of the glory in the Golden Gloves championships opening tonight in San Francisco.

Tonight's elimination bouts, 20 in all, start at 8 o'clock at Kezar Pavilion. Semi-finals will be held March 17 at the San Francisco Civic Auditorium and finals March 24 at the same place.

Coached by Sgt. Bill Ross, Hamilton's 10-man team is led by welterweight Ralph McCoy, defending champion in the tourney.

The balance of the Hamilton squad is loaded with talent, including Dean Harrison, 156-pounder; Fred Lewis, 178; Arthur Jones, 119; Clure Foster, heavyweight; Alfred Pena, 125; Clemon Maddox, 132; George Leach, 139; Benjamin Burns, 139 and John Hampton, 156.

Harrison lost a close decision to McCoy in last year's finals, but has stepped up a division because of weight problems that sapped his strength. He has won three straight World Wide Air Force championships, and boasts an overall record of 67 wins and 9 losses.

Hard-hitting Lewis won last year's World Wide A.F. title with three straight knockouts and earlier this year won the Pacific Coast inter-service title with knockouts in both of his bouts. His record is 49-9.

Records of the other Hamiltonians: Jones, 49-4; Foster 13-3, including 1961 Air Defense Command title; Pena 9-3; Maddox, 12-4 and two time Air Defense Command champ; Leach, 40-8; Burns, 57-16; Hampton, 49-9.

Ticket prices to the Golden Gloves are $3 for ringside and $2 for dress circle and main floor.

AN INTERESTING batting record is revealed in the Giants' lifetime figures. Harvey Kuenn and Willie Mays have each played nine consecutive years. And believe it or not Kuenn hit for a grand total of 1518 against Willie Mays' 1481. The runs batted in figures swing hard for Mays who collected 811 against Kuenn's 477. In the home run department Mays collected 279 against Kuenn's meager 62.

THE THREE young standout rookie pitchers with the Giants are Ray Daviault, a 26-year-old Canadian; Bobby Bolin, from Hickory Grove, South Carolina; and Jim Duffalo, a six year minor leaguer at 25 years of age.

These are three besides Eddie Fisher who are grabbing a lot of attention from Larry Jansen, pitching coach.

Longden Narrowly Averts Bad Fall At Santa Anita

ARCADIA (AP) — Only one victory away from his 5,500th riding victory, jockey Johnny Longden narrowly averted a bad spill yesterday in the third race at Santa Anita.

Grandpa John, at 54 the real veteran among the riders, gave a masterful display of horsemanship before a crowd of 23,659 as Beau Gris stumbled badly at the start and almost went down.

Beau Gris, as he stumbled, ducked sharply into Moneyman. Longden lost his right stirrup and was almost catapulted from the saddle. It took him about two strides to regain his position on his mount, and he had Beau Gris going in stride in short order. He finished seventh in the 11-horse field.

TRAINING CAMPS

Jensen Fabulous With Booming Bat

By U.P. INTERNATIONAL

They're changing that big questionmark after Jackie Jensen's name on the Boston Red Sox roster to an even bigger exclamation point.

Two intra-squad games don't make a season, but Jensen's sensational slugging has already convinced Manager Mike Higgins that he'll have no trouble making a comeback after his year of self-imposed retirement. Jensen sat out the 1960 season but is being counted on to regain his 1958-59 form and make up for the Red Sox' loss of the retired Ted Williams.

Jensen, the American League's most valuable player in 1958 and its runs batted in leader in both 1958 and 1959, hit two homers and drove in four runs yesterday in the Red Sox' intra-squad game. It was the second straight game in which he has knocked in four runs and his two-game batting average is a mere 1.000—six hits in six attempts.

Vic Wertz, another key veteran if the Red Sox are to improve on their seventh-place finish of 1960, drove in two runs and now has knocked in six in two games.

HEAVY HITTING

Heavy hitting by Haywood Sullivan and Joe Pignatano, a pair of catchers acquired during the off-season, featured the Kansas City Athletics' intra-squad game. Sullivan belted out three hits to lead the winning team while Pagnatano connected for a 360-foot homer.

Jerry Marx, 19-year-old bonus shortstop, starred for the St. Louis Cardinals by collecting four hits, driving in two runs and stealing a base. Gary Kolb, former Illinois football player, also drove in two runs and Mickey McDermott, a free agent trying a comeback, pitched one-run ball for three innings.

The Cleveland Indians abolished the position of general manager and split the duties between vice president Nate Dolin and Hoot Evers. Evers, who had been handling the general manager's duties, becomes director of player personnel. He said he had rejected offers from several other major league teams to remain with the Indians.

DiMag To Try His Hand As Hitting Coach

ST. PETERSBURG, Fla. (UPI) —Joe DiMaggio is going to do his best to help the New York Yankees this spring, but he's not interested in returning to baseball as a manager.

"Thanks, but no thanks," the 46-year-old Hall of Famer quipped yesterday when asked whether he had any ideas about managing a major league team. "How long do managers last? I'm happy with what I'm doing."

DiMaggio romped with the Yankees yesterday for the first time since he retired nine years ago. He weighed in at 195 pounds — exactly the same weight as when he played his last game—and displayed the same flawless grace which helped to make him famous.

DiMaggio said he would make himself "available" to any young Yankee who might want his help, but pointed out: "I know I can't teach a man to hit in the two weeks I'm going to be here. Besides, the Yankees have a very good hitting coach in Wally Moses."

Di Maggio went to the Yankee camp for a two-week special training period at the request of co-owner Dan Topping. He was greeted warmly by Manager Ralph Houk and the other Yankees when he trotted onto the field in his familiar No. 5 uniform and, of course, was beseiged by photographers and newsmen.

"I'd have been back before," he said, "but I wasn't asked."

offense to a stall pattern. We took our time, worked the ball around them for easy layups. We did this for 25 minutes and didn't falter once."

In spite of the height disadvantage Ron Blum and Dale Aman managed to control the defensive backboards, although Bakersfield dominated the rebounds under its defensive boards. "We had to make the most of our shots," said Riemcke, "and we hit on 47 per cent from the floor."

Aman hit 7 field goals and 7 free tosses for 21 points. Blum and Lynn Livie were right behind with 20 apiece. Ernie Bray contributed 9 and John Blomquist 6 as only five players accounted for all Marin's scoring. Mike Gaffney was the only Marin reserve to see action.

Riemcke praised Blomquist for a tremendous man-to-man defensive effort on Bakersfield ace Bob Hasen, holding him to 15 points, 10 below his average. The other four Tars played a zone defensive.

The win, Riemcke beamed proudly, "made us the toast of the tournament. Everybody likes to see the little guys, the underdogs, win. We did it!"

Former Tamite Thomas Stopped By 'Comeback Kid'

LOS ANGELES (UPI) — Comeback Kid Alfredo Escobar, 130½, Los Angeles, stopped Billy Thomas, 128 Marin City, at 2:48 of the seventh round last night at the Olympic Auditorium.

It was Escobar's fourth straight knockout victory since he resumed his boxing career last November.

Thomas, former Tamalpais High School athlete, was battered helpless when the referee stopped the onslaught.

Potent Hamilton Ring Team Opens Golden Gloves Bouts

With 10 entries in 9 events, the Hamilton Air Force Base boxing team is favored to grab a good share of the glory in the Golden Gloves championships opening tonight in San Francisco.

Tonight's elimination bouts, 20 in all, start at 8 o'clock at Kezar Pavilion. Semi-finals will be held March 17 at the San Francisco Civic Auditorium and finals March 24 at the same place.

Coached by Sgt. Bill Ross, Hamilton's 10-man team is led by welterweight Ralph McCoy, defending champion in the tourney.

The balance of the Hamilton squad is loaded with talent, including Dean Harrison, 156-pounder; Fred Lewis, 178; Arthur Jones, 119; Clure Foster, heavyweight; Alfred Pena, 125; Clemon Maddox, 132; George Leach, 139; Benjamin Burns, 139 and John Hampton, 156.

Harrison lost a close decision to McCoy in last year's finals, but has stepped up a division because of weight problems that sapped his strength. He has won three straight World Wide Air Force championships, and boasts an overall record of 67 wins and 9 losses.

Hard-hitting Lewis won last year's World Wide A.F. title with three straight knockouts and earlier this year won the Pacific Coast inter-service title with knockouts in both of his bouts. His record is 49-9.

Records of the other Hamiltonians: Jones, 49-4; Foster, 13-3, including 1961 Air Defense Command title; Pena, 9-3; Maddox, 12-4 and two-time Air Defense Command champ; Leach, 40-8; Burns, 57-16; Hampton, 49-9.

Ticket prices to the Golden Gloves are $3 for ringside and $2 for dress circle and main floor.

East Bay Gets Kokanee Salmon; Salmon Spree Off Santa Cruz

STEVENS

Anybody griping about having to pay their water bill? Not I. Never have I been more willing to make out my bi-monthly check to the water company.

The reason? I just received word that the Department of Fish and Game will release 175,000 Kokanee Salmon fry in Pardee Reservoir today.

The entire stock won't be let loose in only the reservoir; some will be released in the Mokelumne River above the dam.

The bulletin from the water company states definitely that this planting will be the first phase of a major effort to further improve fishing at the East Bay Municipal Utility District's giant water storage facilities on the Mokelumne, 38 miles northeast of Stockton.

It will take about three years for the Kokanees to reach catchable size — eight to 16 inches.

There are lots of warm-water fish already in the Pardee Reservoir; black bass, trout, sunfish, catfish, carp and squawfish.

MANY PEOPLE have an idea that the Kokanee Salmon has been planted and caught in only the huge Shasta Reservoir. It was about the first water to be used as an experiment, but they have been planted in the Salt Springs Reservoir, Donner Lake, Ice House Reservoir, and Echo Lake as well. They have done very well in these waters and should do as well in the Pardee Reservoir. Here's hoping. The Kokanee is a real game fish, and is about as delicious to eat as any fish that swims.

A REPORT just received from Santa Cruz verifies the optimistic news Manny Fernandez phoned in anent salmon trolling in and around Monterey and Santa Cruz.

The Stagnaros, who operate from the Municipal Wharf at Santa Cruz, sent word that while salmon trolling was very slow on Saturday (two fish for every five anglers), on Sunday fishing busted wide open. Limits for everybody and much larger fish. Top rod was a 17-pound beauty.

I didn't hear direct from Princeton, on Half Moon Bay, but was told by a neighbor who was out on Tuesday on one of Ray Gardner's boats that a flock of salmon were unloaded shortly after noon (My neighbor, Leslie Iradell, missed out on the salmon. He went after rockfish—and got a sackful).

SKIFFS AND party boats out of the Point San Pablo Yacht Harbor and skiffs from China Camp continue doing a good job, especially in the forenoons. Fish seem to be sticking pretty close to the more shallow water. One of our old-time fishing pals played hooky from work on Tuesday and tried trolling close to shore between the San Pablo Harbor and Point Wilson. Got himself an easy limit, he claimed. Used the new all-red Andy Reeker spoon, porkrind tailbait and no sinker.

Bears, Indians Invade L.A. For Final Doubleheaders

By ASSOCIATED PRESS

Victories tonight and Saturday night would give UCLA's Bruins their finest basketball record since 1957 and second place in the Big Five.

Southern California has clinched the conference title.

The Bruins (5-5) meet Stanford (3-7) and USC (8-2) faces California (4-6) in a doubleheader tonight at the Los Angeles Sports Arena.

The four clubs switch foes tomorrow in a Los Angeles doubleheader that closes the regular season for all four.

Washington, finished with Big Five play, is in second place with a 6-6 record. The Huskies entertain Idaho in a non-conference game tonight and close their season Saturday night with the traditional game against Washington State at Seattle.

Two UCLA wins would shove the Bruins past Washington into second place.

Cal's Golden Bears, conference champs the past two seasons, started out with six straight league defeats. But Coach Rene Herrerias' lads now have won four in a row. If the Bears can maintain their momentum against USC and UCLA, Cal would clamber into a second-place tie.

WILT PASSES NEW MILESTONE IN HIS CAREER

PHILADELPHIA (AP)—Wilt Chamberlain has passed another milestone in his fabulous career, cracking a 12-year-old Philadelphia Warriors' club record by scoring 67 points in one game.

The 7-foot-1 Chamberlain's output last night in a 135-126 victory over New York was the most points he's ever scored in a single game and it broke the 1949 mark of 63 by Joe Fulks. His previous high had been 58.

Chamberlain fell five points short of breaking the National Basketball Assn. record of 71 set by Elgin Baylor of Los Angeles last November.

Elsewhere in the NBA, Bill Russell'sf ield goal with 15 seconds left gave Boston a 119-118 victory over Detroit, dropping the Pistons into a tie with Cincinnati for the only remaining play-off spot in the Western Division. Each club has two games left to play.

Paul Lowe Signs With San Diego

SAN DIEGO (AP)—Halfback Paul Lowe, second in rushing in the American Football League last year, today signed his 1961 contract with the San Diego Chargers.

General Manager-Coach Sid Gillman predicted Lowe will have an even better season after a year's experience in professional football when the Chargers operated in Los Angeles.

Meadow Clubbers Play Nine-Hole Tournament

Class C—Mrs. Frank McMurray, 53-17—36; Mrs. William J. Milliken, 51-15—36; Mrs. Norman Rawson, 52-14½—37½.

Darlene Hard Wins

BARRANQUILLA, Colombia (AP)—Darlene Hard of Montebello, Calif., beat Florence de la Courtie of France 6-4, 6-2, and Ann Haydon of Britain eliminated Sally Moore, Bakersfield, 6-3, 6-2 in women's quarterfinals of the Colombian International Tennis Tournament yesterday.

FRISKY, FORTYISH GROUP

Still Plenty Of Life Left In Majors' Senior Citizens

By STEVE SNIDER

NEW YORK (UPI) — There's plenty of life left in baseball's "senior citizens," a frisky, fortyish group led by 41-year-old Early Wynn of the Chicago White Sox.

That old rockin' chair may be callin' but it's only a whisper to some of these elder statesmen of the diamond whose success or failure at combatting the calendar may be significant factors in the 1961 pennant races.

Wynn, 41 on Jan. 6, became the oldest active major leaguer when Ted Williams hung up his mitt at the end of last season, but Gerry Staley of the White Sox, Stan Musial of the Cardinals, Dave Philley of the Orioles and Elmer Valo of the Minnesota Twins are close behind at 40 and Warren Spahn of the Braves hits 40 shortly after the season opens.

'SPARE WHEELS'

Valo and Philley, carried as pinch-hitters and occasional spot performers, aren't likely to decide any pennants though they're valued as capable "spare wheels."

But Wynn and Staley, in their best form, can mean a whale of a lot to White Sox hopes in their annual struggle to kayo the Yankees.

Big Early, who'll become baseball's only 20-year man on Sept. 2, has a reputation for being the "meapest" pitcher in the majors, win or lose, and he means to start winning again after a so-so (for him) 13-12 season last year. He won 22 only the year before.

Wynn, however, was feeling his oats at the start of last season and admitted he was "trying to blow the ball past the hitters" instead of pitching his regular routine. He went back to the old pattern in mid-season and picked up nine of his 13 victories.

You can bet he learned his lesson.

PLENTY OF LIFE

Staley gave some thought to retirement last season, but he wound up 13-8 in 64 relief appearances and obviously figured there was plently of life remaining in his meal-ticket right arm.

Spahn, 40 on April 23, is Milwaukee's perennial big winner with 11 seasons at 20 or more victories under his belt. He goes big again or the Braves aren't likely to make much headway in their scramble to regain the National League championship from Pittsburgh.

Musial? He'll go as long and as far as his legs will carry him this season and if a judicious energy conservation program works out he'll do his usual share of damage to the other guy if he can's win a pennant for the Cards.

FANCY STEPPERS

The 38 age group includes several still-fancy steppers including Jim Rivera of the White Sox, Gene Woodling of the new Washington Senators, Hank Bauer of the Athletics, pinch-hit homer ace George Crowe of the Cards, Red Schoendienst, back with the Cards, and Del Rice, who moved into the Los Angeles Angels catching corps.

At 37 are tough old Minnie Minoso of the White Sox, Hoyt Wilhelm and Walt Dropo of the Orioles.

The 36's include Turk Lown and Sherm Lollar of the White Sox, Vic Wertz of the Red Sox, Hal Brown of the Orioles, Ted Kluszewski of the new Los Angeles Angels, Gil Hodges of the Dodgers and Rocky Nelson of the Pirates.

And it might be worthy of note the long list of 35's includes that eminent author, catcher-outfielder of the New York Yankees—Yogi Berra.

RODRIGUEZ-GONSALVES

Winner Of Oakland Bout May Get Shot At Champ

A pair of highly-rated boxers will display their fistic talents March 22 when Luis Rodriguez of Cuba battles Johnny Gonsalves of Oakland at the Oakland Auditorium.

The latest National Boxing Assn. rankings list Rodriguez as the No. 2 welterweight contender and Gonsalves No. 3 in the junior welterweight division.

Winner of their Oakland match is almost certain of earning a title fight with champion Benny (Kid) Paret. Promoter Jimmy Cosenza would like to stage the match at the Cow Palace "sometime this summer," he said.

"I think a fight between Rodriguez and Paret or Gonsalves and Paret would draw a $70,000 gate in the Bay Area," said Cosenza. "Where else but here could a couple of welterweights do that kind of business?" the promoter added.

Tickets for the March 22 card are moving at a brisk pace, according to Cosenza, who envisions a gate in excess of $10,000.

Reserved tickets are on sale at the Seal Tite Roofing Co., 1818 San Pablo Ave., Berkeley. Reservations can be made by phone.

Giants Open Plush Minor League Camp In Arizona

CASA GRANDE, Ariz. (AP) — San Francisco's Giants put their entire spring baseball training operation into Arizona this year with the opening of the $1.5 million dollar minor league camp.

Located 55 miles from the parent club's training headquarters at Phoenix and four miles west of Casa Grande, the mile-square site now contains five baseball diamonds where a year ago was only desert. Francesco Grande is the name with a little cartoon Western character as the mascot.

Dormitories are modern two-story motel units which can be used as a commercial venture when the players aren't in residence. And the dining hall can be converted into a restaurant.

All nine minor league affiliates of Horace Stoneham's San Francisco club will train here as the camp replaces that at Sanford, Fla., the training ground previously.

Two dormitories are completed and two more will be built before next season. Until then, the Tacoma team will stay in a motel at Casa Grande. The two dorms will accommodate 192 players, four to a room.

Water comes from three wells.

There's an airplane landing field at one side of the area and a golf course will be built at another. All the buildings are air conditioned.

Rosburg Signs As Pro In Oregon

PORTLAND, Ore. (AP) — Bob Rosburg of San Francisco, one of the top money winners on the professional golf circuit, has been signed as resident pro for the new Meriwether Country Club near here.

Carl Poss and Dick Lord, officials of the club, said today Rosburg accepted a five-year contract and will take over his duties "some time in July."

Rosburg's contract at Brookridge Country Club in Overland Park, Kan., expired March 1.

Poss said Rosburg will continue to play in major tournaments.

RODRIGUEZ-GONSALVES

Winner Of Oakland Bout May Get Shot At Champ

A pair of highly-rated boxers will display their fistic talents March 22 when Luis Rodriguez of Cuba battles Johnny Gonsalves of Oakland at the Oakland Auditorium.

The latest National Boxing Assn. rankings list Rodriguez as the No. 2 welterweight contender and Gonsalves No. 3 in the junior welterweight division.

Winner of their Oakland match is almost certain of earning a title fight with champion Benny (Kid) Paret. Promoter Jimmy Cosenza would like to stage the match at the Cow Palace "sometime this summer," he said.

"I think a fight between Rodriguez and Paret or Gonsalves and Paret would draw a $70,000 gate in the Bay Area," said Cosenza. "Where else but here could a couple of welterweights do that kind of business?" the promoter added.

Tickets for the March 22 card are moving at a brisk pace, according to Cosenza, who envisions a gate in excess of $10,000.

Reserved tickets are on sale at the Seal Tite Roofing Co., 1818 San Pablo Ave., Berkeley. Reservations can be made by phone.

Bears, Indians Invade L.A. For Final Doubleheaders

By ASSOCIATED PRESS

Victories tonight and Saturday night would give UCLA's Bruins their finest basketball record since 1957 and second place in the Big Five.

Southern California has clinched the conference title.

The Bruins (5-5) meet Stanford (3-7) and USC (8-2) faces California (4-6) in a doubleheader tonight at the Los Angeles Sports Arena.

The four clubs switch foes tomorrow in a Los Angeles doubleheader that closes the regular season for all four.

Washington, finished with Big Five play, is in second place with a 6-6 record. The Huskies entertain Idaho in a non-conference game tonight and close their season Saturday night with the traditional game against Washington State at Seattle.

Two UCLA wins would shove the Bruins past Washington into second place.

Cal's Golden Bears, conference champs the past two seasons, started out with six straight league defeats. But Coach Rene Herrerias' lads now have won four in a row. If the Bears can maintain their momentum against USC and UCLA, Cal would clamber into a second-place tie.

Darlene Hard Wins

BARRANQUILLA, Colombia (AP)—Darlene Hard of Montebello, Calif., beat Florence de la Courtie of France 6-4, 6-2, and Ann Haydon of Britain eliminated Sally Moore, Bakersfield, 6-3, 6-2 in women's quarterfinals of the Colombian International Tennis Tournament yesterday.

WILT PASSES NEW MILESTONE IN HIS CAREER

PHILADELPHIA (AP)—Wilt Chamberlain has passed another milestone in his fabulous career, cracking a 12-year-old Philadelphia Warriors' club record by scoring 67 points in one game.

The 7-foot-1 Chamberlain's output last night in a 135-126 victory over New York was the most points he's ever scored in a single game and it broke the 1949 mark of 63 by Joe Fulks. His previous high had been 58.

Chamberlain fell five points short of breaking the National Basketball Assn. record of 71 set by Elgin Baylor of Los Angeles last November.

Elsewhere in the NBA, Bill Russell'sf ield goal with 15 seconds left gave Boston a 119-118 victory over Detroit, dropping the Pistons into a tie with Cincinnati for the only remaining play-off spot in the Western Division. Each club has two games left to play.

Giants Open Plush Minor League Camp In Arizona

CASA GRANDE, Ariz. (AP) — San Francisco's Giants put their entire spring baseball training operation into Arizona this year with the opening of the $1.5 million dollar minor league camp.

Located 55 miles from the parent club's training headquarters at Phoenix and four miles west of Casa Grande, the mile-square site now contains five baseball diamonds where a year ago was only desert. Francesco Grande is the name with a little cartoon Western character as the mascot.

Dormitories are modern two-story motel units which can be used as a commercial venture when the players aren't in residence. And the dining hall can be converted into a restaurant.

All nine minor league affiliates of Horace Stoneham's San Francisco club will train here as the camp replaces that at Sanford, Fla., the training ground previously.

Two dormitories are completed and two more will be built before next season. Until then, the Tacoma team will stay in a motel at Casa Grande. The two dorms will accommodate 192 players, four to a room.

Water comes from three wells.

There's an airplane landing field at one side of the area and a golf course will be built at another. All the buildings are air conditioned.

Rosburg Signs As Pro In Oregon

Rosburg's contract at Brookridge Country Club in Overland Park, Kan., expired March 1.

Those old English taverns that have models of a boar's heads or mermaids for signs aren't in it with Dominic's, a new restaurant that will open at 507 Francisco Boulevard, San Rafael, on April 8. Dominic's has a 28-foot whaleboat. Delay Given In Barber's Slaying Trial

WOODLAND (AP)—The murder trial of former San Rafael barber Elwood J. Williams has been continued to next Wednesday to allow Yolo County Public Defender Louis Sherer to call more defense witnesses.

Williams is charged with murdering his wife at Davis Nov. 10.

Yesterday he testified she had taunted him regarding his desire for a reconciliation and the custody of their 4-year-old son, Guy.

Twice, Williams told the jury of six men and six women he had shot his wife.

He related that two weeks previously he had pointed a .22 revolver at his head and pulled the trigger but the shot missed.

Other testimony has brought out that he shot himself after firing at his wife in the home of her sister, Mrs. Jonellen Goddard.

Black Point Liquor License Is Revoked

Revocation of the on-sale liquor license of the Black Point Inn has been ordered by the state Alcoholic Beverage Control Department in Sacramento.

Paul Lavere Franklin, his wife Virginia and brother Giles, co-owners of the inn at 10 Grandview Avenue, Black Point, were charged with having sold liquor to minors between March 11 and Oct. 17 of last year while Franklin additionally was alleged to have committeed perjury and manufactured phony evidence.

Franklin, a 40-year-old former Air Force captain who won the Distinguished Flying Cross in the Korea conflict, was arrested Feb. 23 in connection with one case involving a 19-year-old airman.

The perjury charge arose from Franklin's denial that he had ever seen or dealt with A/3c Raymond E. Hutchison of the 466st Support Squadron at Hamilton Air Force Base.

Franklin was said to have falsified a blank check and bar bill and forging a signature "Raymond Hutchison" which he said was that of a 40-year-old man from Vallejo.

Because of "substantial seasonal reduction in the number of waterfowl in Richardson Bay," the Audubon Society will reopen its 645 acres of wildlife sanctuary to public use next Wednesday, it was announced today.

The Audubon-controlled area is between Belvedere and Strawberry Point. It now takes in three submerged canals leased to the society but not subject to closure.

A notice from New York headquarters of National Audubon Society said that when waterfowl again become plentiful in Richardson Bay next fall, public notice will be taken of closure of the sanctuary area until the spring of 1962.

In keeping with the French theme, guests included Michele Sciama, cultural attache of the French consulate in San Francisco; Reuben Pacheco, representative of Air France, and Claude Reboul, member of the San Francisco French colony representing the Northgate Antique Shop.

GOP Hits Plan To Take Marin From 1st District

Opposition to any legislative reapportionment measure which would eliminate Marin County from the First Congressional District was expressed last night by the Marin Republican Council.

James McNab of Ross, elected last night as president of the county wide GOP volunteer organization, termed reported Democratic proposals to link Marin with San Francisco in a new congressional district "an irresponsible political move to protect the insecure seat of Representative Clem Miller."

"Marin has a traditional and solid community of interest with the other counties of the Redwood Empire," McNab declared. "To treat the county now as an unwanted appendage of this important homogenous area would be nothing more than rank political reprisal for Marin's consistent rejection of Mr. Miller at the polls."

The council's views on reapportionment, legislation on which is pending in the state legislature, will be communicated to State Sen. John F. McCarthy and Assemblyman William T. Bagley, McNab said.

Meeting at the West End Villa in San Rafael, the council elected officers for 1961.

Named in addition to McNab as president were Edmond C. Ward of Novato, executive vice president; Henry J. Broderick of Tiburon and Theodore E. Theiss Jr. of Belvedere, vice presidents; Roger W. Barbey of Corte Madera, secretary, and Sydney E. Hammill of Novato, treasurer.

Proposal Would Authorize State Constitution Change

I-J Special Report

SACRAMENTO—A proposal that the legislature be authorized by the people to revise the state constitution was made by the Citizens Legislative Advisory Commission yesterday.

The commission approved a recommendation of its constitutional revision committee that an amendment be voted upon by the people to permit the legislature to undertake major action to modernize the state's basic law. At present, the solons can only make piecemeal amendments.

The commission, an official state advisory unit which has been studying state problems since 1957, was unable to reach agreement on a proposed "code of ethics" for legislators and legislative employees. Its conflict of interests committee proposed a rule to be adopted by both branches of the legislature which would follow the principle that no member or employee "shall have any direct interest, financial or otherwise . . . in substantial conflict with the proper discharge of his duties in the public interest."

The proposal was re-referred to the committee without debate. Then, when committee chairman Lloyd E. Gravbiel, San Francisco banker, said he interpreted this as killing the proposal, the commission instructed the committee to meet and reconsider the proposal and to present it to another meeting of the commission. The commission is to go out of business 90 days after the adjournment of this session of the legislature unless it's life is extended by the legislature.

In a third action, the commission under the chairmanship of Max E. Utt, Los Angeles attorney, recommended that a legislative reference service be set up for the solons where committee and other files could be stored and be easily available for use by legislators in normal course of their duties. The service would function in cooperation with the existing legislative counsel and legislative analyst.

It is negotiating to acquire the liquor license of the Cricket Liquor Store, 929 Fourth Street, San Rafael.

The Tiburon store is being remodeled and is not expected to open until the latter part of April.

STEPPING UP WITH CALIFORNIA

Up goes California industry!
Up goes the population!
And right in step... Pacific Telephone!

During 1960, Pacific Telephone played a vital role in California's economy. The dollars it spent in the State meant jobs for many people in many lines of work and boosted business for firms and stores throughout California. Here's how Telephone dollars were spent:

$315 million spent for construction and expansion to keep up with California's growth.

$380 million in wages earned by 66,000 telephone people in some 1,200 California communities—dollars that meant sales for businesses, wages for employees.

$92 million in taxes paid in California by Pacific Telephone—dollars you'll see in such things as better highways, schools, parks.

$108 million for goods and services spent throughout the State.

1961: another $300 million tagged by Pacific Telephone for further *expansion* in California—dollars that will create *more* jobs and *more* business. As California moves ahead, Pacific Telephone will *continue* to contribute its vigorous share to our State's future.

The members of the Jolly Rogers Chapter of the Children's Home Society are extending to all an invitation to view the well-known designer Eleanor Green's Spring of 1961 collection at Rickey's Fashion Focus Luncheon on Tuesday.

To compliment these latest fashion styles will be a collection of hats gathered from the well-known milliners by Mrs. Harry Pierce. The bonnets to shown will include everything from the ever popular straws to the velvet and felt in the small crown size to the turbans, sailors and large brims.

The models from the Jolly Rogers Chapter to show that the "Wearing of the Green" will solve your spring wardrobe problem will be Mesdames Richard Casey, George Hinard, Jack Countryman, Gordon Ness, Donald Leaf, Rex Minashall, Richard Colombo, Charles Price and Robert Freeman. Salad Luncheon Will Benefit Unit's Girls State Program

Plans for a salad luncheon were mapped by members of Twin Cities Unit 313 of the American Legion Auxiliary at the recent meeting.

Proceeds from the March 22 event will benefit the unit's Girls State program, which will again send a senior student from Redwood High School for a week's session in practical government training at the Davis Campus of the University of California the week of June 26, 1961.

This year's number of high school students from all parts of California is expected to exceed last year's total of 451 girls.

Girls State chairman of the Unit, Mrs. Frank Etringer of Corte Madera, announced the nation-wide American Legion Auxiliary program will be held in all 48 states, District of Columbia and in the Panama Canal Zone, and is now in its 25th year, with over 250,000 participants to date.

Ballots for the American Legion Auxiliary's annual "Golden Mike" radio-television poll have gone out to the organization's 950,000 members, according to Mrs. James Green, president of the unit, who remembers to cast their votes in the four required radio-television categories of (1) best all-around family entertainment, (2) most educational commercial, (3) best musical presentation and (4) program inspiring pride in America.

Next meeting of the unit will be held in the American Legion Hall in Larkspur on March 14.

Zoning Proposal Is Explained In San Geronimo

Explanation of why a "holding" type of zoning is proposed in developed areas of San Geronimo Valley despite imminence of a master plan was given Wednesday night by B. D. Dobbs of the county planning office at a public meeting in the Woodacre Improvement Club under auspices of the San Geronimo Valley Master Plan Committee.

Dobbs traced the history of zoning proposals for the area, and explained the desirability of modernizing interim zoning throughout the county because of inadequacy of the interim situation for present conditions.

Proposed for developed areas of San Geronimo, he said, is A-2 or limited agricultural district where H-1, or highway business, wouldn't apply.

He stressed that the master plan would not in itself constitute rezoning of the area under consideration. "You could have pockets of interim zoning, in spite of the master plan, due to the factor of timing," he commented.

Dobbs gave reassurance that no change of master plan schedule was contemplated and said it would be completed soon.

S.F. Crime Rate Up

SAN FRANCISCO (UPI)—The San Francisco crime rate was up 5 per cent over the same month a year ago, police chief Thomas Cahill reported yesterday. There were three more murders this year, five more rapes, 45 more robberies and 88 more petty thefts.

INCOME TAX FACTS

Exemptions Column Has Money-Saving Formula

By PETER J. WIKEL, CPA

California personal exemptions and dependency credits.

You are entitled to personal exemptions and dependency credits on your California tax return as follows:

Peter J. Wikel

A single person may claim an exemption of $1,500.

A husband and wife or a single person who was the head of a household may claim an exemption of $3,000.

A head of household is a person who is not married on the last day of the taxable year and who has furnished over one-half of the cost of maintaining a home which is his principal place of residence and which he has shared throughout the taxable year, except for temporary absences, with any other person whom he is entitled to claim as a dependent, or an unmarried child, grandchild or step-child. You cannot claim the dependency credit and also the head of household status for the same dependent.

You are entitled to credit for dependents as follows:

A credit of $600 may be claimed for each person closely related to you (other than husband or wife) receiving more than one-half of his support from you during 1960.

Credit for dependents can be claimed only if you actually furnish over one-half of the dependent's support, or if you furnish over 10 per cent of the cost of the support of a dependent and can get a written multiple support agreement signed by the other contributors.

MARIN MOVIES

Shirley Can Can-Can Best In Film 'Can-Can'

BY LES DARD

The weekend films in preview:

TAMALPAIS THEATER

The best thing about the film version of Cole Porter's "Can-Can" can be summed up very briefly: Shirley MacLaine.

Maurice Chevalier, Frank Sinatra and Louis Jourdan are around, bt the vivacious and rowdy Miss MacLaine is the one to watch in this Technicolor musical, now at the San Anselmo screen.

The plot is not intended to be memorable; rather it serves as an excuse for connecting brilliant flashes of dance. But for the record, Shirley plays the owner and chief performer in a Paris cabaret which features the can-can.

Sinatra is her lawyer and boy friend Jourdan is a sober-sided judge before whom she appears to defend the can-can against charges that it is lewd and lascivious. Chevalier is a pleasure-loving jurist who offers advice on matters amorous.

There is one thing that cannot be faulted about the film: the dancing. Specifically, we refer to Miss MacLaine's version of the forbidden can-can, a revival of the old-fashioned Apache dance, and an extended Adam and Eve ballet.

Estimate: Miss MacLaine's a ring-a-dinger.

RAFAEL THEATER

"The wackiest Ship in the Army," which opens on Sunday in San Rafael, is a comedy (in color).

Jack Lemmon is the main source of the humor. He is commander of the USS Echo, a wartime ship noted for its hard luck. His assignment: to confuse and elude Japanese air patrols and land an Aussie radioman behind enemy lines.

This otherwise difficult assignment for a decrepit ship held together by spit and baling wire is made humorous by the amateur crew, which hardly knows fore from aft.

From the moment that Lemmon sings out orders to his greenhorns, the fun is direct and incisive. The star gets help from Ricky Nelson as his straight man.

NOVATO and FAIRFAX THEATERS

The story of Franklin Delano Roosevelt's triumph over polio is told in "Sunrise at Campobello" (color), based on the prize-winning Broadway play by Dore Schary. It opens Sunday in Novato and is at the Fairfax through the weekend.

Ralph Bellamy plays FDR in a vivid, perfect performance. Greer Garson is cast as Eleanor Roosevelt and Hume Cronyn is the gnomish Louis Howe- the henchman who kept alive the future President's political hopes. Ann Shoemaker portray's FDR's mother, a dominating woman whose possessive characteristics he had to contain and destroy to win back his place in society.

Note: This film won four oscar nominations, including one in the "best actress" category for Miss Garson.

MOTOR MOVIES

"Surprise Package" is a bit of a lark starring Yul Brynner as a gangland chieftain deported from the U.S. and exiled to a little Greek island.

The package of the title is Mitzi Gaynor, Seems Yul's old budies instead of shipping him his million, send Mitzi (his girlfriend) instead. Sharing the island is Noel Coward, as the deposed king of a tiny country.

The three stars are supported by a grotesque set of character actors, including wrestler Man Mountain Dean.

SEQUOIA THEATER

"The World of Suzie Wong" (Technicolor), which opens Sunday on the Mill Valley screen, is a story about a starving artist who meets and falls for a floozy with a heart of gold.

William Holden portrays the artist who winds up in the arms of the sullied Hong Kong street-walker, played by Nancy Kwan.

Also, there's a "good" and intelligent English girl who'd like him for herself.

There you have Mr. Holden's dilemma, which is neatly solved for him at the end of 129 romantic minutes (filmed on location in Hong Kong).

Zoning Proposal Is Explained In San Geronimo

Explanation of why a "holding" type of zoning is proposed in developed areas of San Geronimo Valley despite imminence of a master plan was given Wednesday night by B. D. Dobbs of the county planning office at a public meeting in the Woodacre Improvement Club under auspices of the San Geronimo Valley Master Plan Committee.

Dobbs traced the history of zoning proposals for the area, and explained the desirability of modernizing interim zoning throughout the county because of inadequacy of the interim situation for present conditions.

Proposed for developed areas of San Geronimo, he said, is A-2 or limited agricultural district where H-1, or highway business, wouldn't apply.

He stressed that the master plan would not in itself constitute rezoning of the area under consideration. "You could have pockets of interim zoning, in spite of the master plan, due to the factor of timing," he commented.

Dobbs gave reassurance that no change of master plan schedule was contemplated and said it would be completed soon.

MARIN MOVIES

Shirley Can Can-Can Best In Film 'Can-Can'

BY LES DARD

The weekend films in preview:

TAMALPAIS THEATER

The best thing about the film version of Cole Porter's "Can-Can" can be summed up very briefly: Shirley MacLaine.

Maurice Chevalier, Frank Sinatra and Louis Jourdan are around, bt the vivacious and rowdy Miss MacLaine is the one to watch in this Technicolor musical, now at the San Anselmo screen.

The plot is not intended to be memorable; rather it serves as an excuse for connecting brilliant flashes of dance. But for the record, Shirley plays the owner and chief performer in a Paris cabaret which features the can-can.

Sinatra is her lawyer and boy friend Jourdan is a sobersided judge before whom she appears to defend the can-can against charges that it is lewd and lascivious. Chevalier is a pleasure-loving jurist who offers advice on matters amorous.

There is one thing that cannot be faulted about the film: the dancing. Specifically, we refer to Miss MacLaine's version of the forbidden can-can, a revival of the old-fashioned Apache dance, and an extended Adam and Eve ballet.

Estimate: Miss MacLaine's a ring-a-dinger.

RAFAEL THEATER

"The wackiest Ship in the Army," which opens on Sunday in San Rafael, is a comedy (in color).

Jack Lemmon is the main source of the humor. He is commander of the USS Echo, a wartime ship noted for its hard luck. His assignment: to confuse and elude Japanese air patrols and land an Aussie radioman behind enemy lines.

This otherwise difficult assignment for a decrepit ship held together by spit and baling wire is made humorous by the amateur crew, which hardly knows fore from aft.

From the moment that Lemmon sings out orders to his greenhorns, the fun is direct and incisive. The star gets help from Ricky Nelson as his straight man.

NOVATO and FAIRFAX THEATERS

The story of Franklin Delano Roosevelt's triumph over polio is told in "Sunrise at Campobello" (color), based on the prize-winning Broadway play by Dore Schary. It opens Sunday in Novato and is at the Fairfax through the weekend.

Ralph Bellamy plays FDR in a vivid, perfect performance. Greer Garson is cast as Eleanor Roosevelt and Hume Cronyn is the gnomish Louis Howe- the henchman who kept alive the future President's political hopes. Ann Shoemaker portray's FDR's mother, a dominating woman whose possessive characteristics he had to contain and destroy to win back his place in society.

Note: This film won four oscar nominations, including one in the "best actress" category for Miss Garson.

MOTOR MOVIES

"Surprise Package" is a bit of a lark starring Yul Brynner as a gangland chieftain deported from the U.S. and exiled to a little Greek island.

The package of the title is Mitzi Gaynor, Seems Yul's old budies instead of shipping him his million, send Mitzi (his girlfriend) instead. Sharing the island is Noel Coward, as the deposed king of a tiny country.

The three stars are supported by a grotesque set of character actors, including wrestler Man Mountain Dean.

SEQUOIA THEATER

"The World of Suzie Wong" (Technicolor), which opens Sunday on the Mill Valley screen, is a story about a starving artist who meets and falls for a floozy with a heart of gold.

William Holden portrays the artist who winds up in the arms of the sullied Hong Kong street-walker, played by Nancy Kwan.

Also, there's a "good" and intelligent English girl who'd like him for herself.

There you have Mr. Holden's dilemma, which is neatly solved for him at the end of 129 romantic minutes (filmed on location in Hong Kong).

Law On Trees Under Study For Larkspur

A tree ordinance, based on a model law drawn up by the League of California Cities, has been taken under study by the Larkspur Recreation Commission.

The decision to consider a law covering types, placement and control of trees followed a three-hours meeting Wednesday night at which Pacific Gas and Electric Co. representative Eugene Cuslidge gave the commissioners a primary education on tree planting and maintenance.

PG&E spends about $360,000 a year on tree trimming and removal in the five North Bay counties, the commission was told.

Peter Krug, commission chairman, said this tab is eventually picked up by the consumer, since it is part of the company's operating cost. "Planting of the proper trees would eliminate a substantial part of this expense," Krug said, noting that Larkspur alone sets aside about $3,000 each year for tree and litter removal.

"Santa Rosa, Petaluma, Napa and Vallejo all enacted tree ordinances after discovering planting of the wrong kind of trees was very costly" Krug said.

The ordinance will be presented to the city council after study and draft by the commission.

The next meeting of the commission will be on March 20 at 8 p.m. in the council chambers, when the Larkspur commission will host a joint meeting of all recreation commissions in the county. Purpose will be to establish a county-wide recreation council, Krug said.

End Of Urban Spread Urged

SACRAMENTO (UP)—California's natural resources director yesterday urged a statewide land use plan to check "an unplanned spread of all kinds of urban development over the natural landscape."

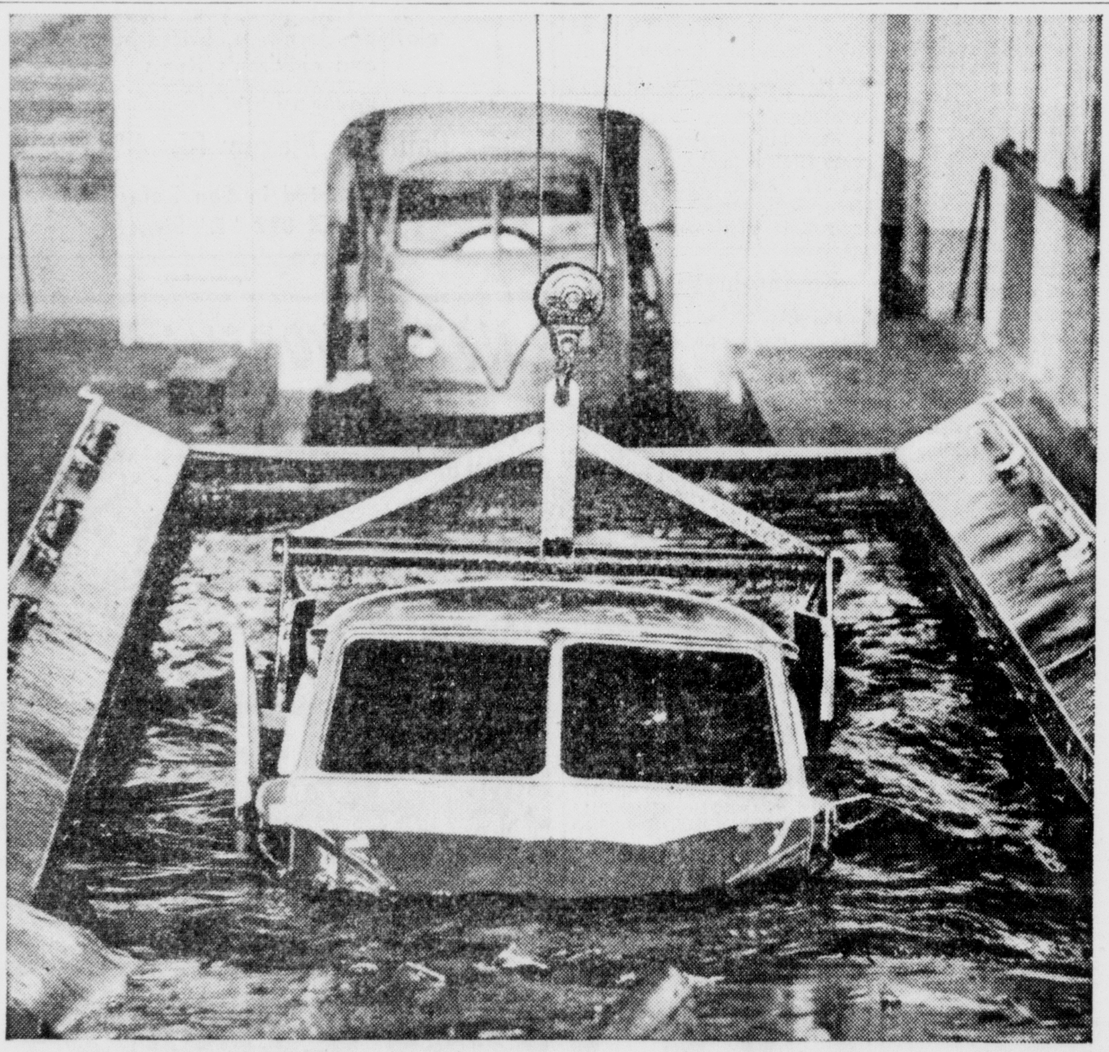
DeWitt Nelson said urban sprawl has caused needless destruction of the natural features and cut into the basic requirements for good living—clean air, water, privacy and open space.

Nelson noted that the state has master plans for highways, water and parks, but no general land use plan.

Safety Award Given To Brick Workers

A safety award was presented to the employees of the L. P. McNear Brick Co. of San Rafael yesterday for their outstanding safety record for the period of June 1959 to June 1960.

The award was accepted by plant engineer John McNear from Norval MacDonald, safety engineer of the Industrial Indemnity Co. of San Francisco. MacDonald told employees that their "job injury" record was less than half of the national injury record for plants of that type.



44 pounds of paint protection

Every Volkswagen Truck is fully submerged in a special rust-proofing primer—all the way. Inside, outside, every spot is liberally coated.

Then it's sprayed with paint. Not once, but twice. And again, all the way. Next comes the finish coat. Four coats in all—with hand sanding, compressed air cleaning, and washing and inspection in between—for a smooth, long-lasting, hard finish. In all, 44 pounds of paint are used in a VW Truck.

Why this extra trouble? To assure that your VW Truck will stay young longer. One of hundreds of details where a little extra effort at the factory, saves you money over the years.

How much money? Rather than make any claims ourselves, we suggest you ask the owner of any one of the 110,000 VW Trucks on the American road.

And if you'd like some of the answers in writing, come in for a free copy of our 60-page illustrated booklet, "The Owner's Viewpoint." No obligation, of course.

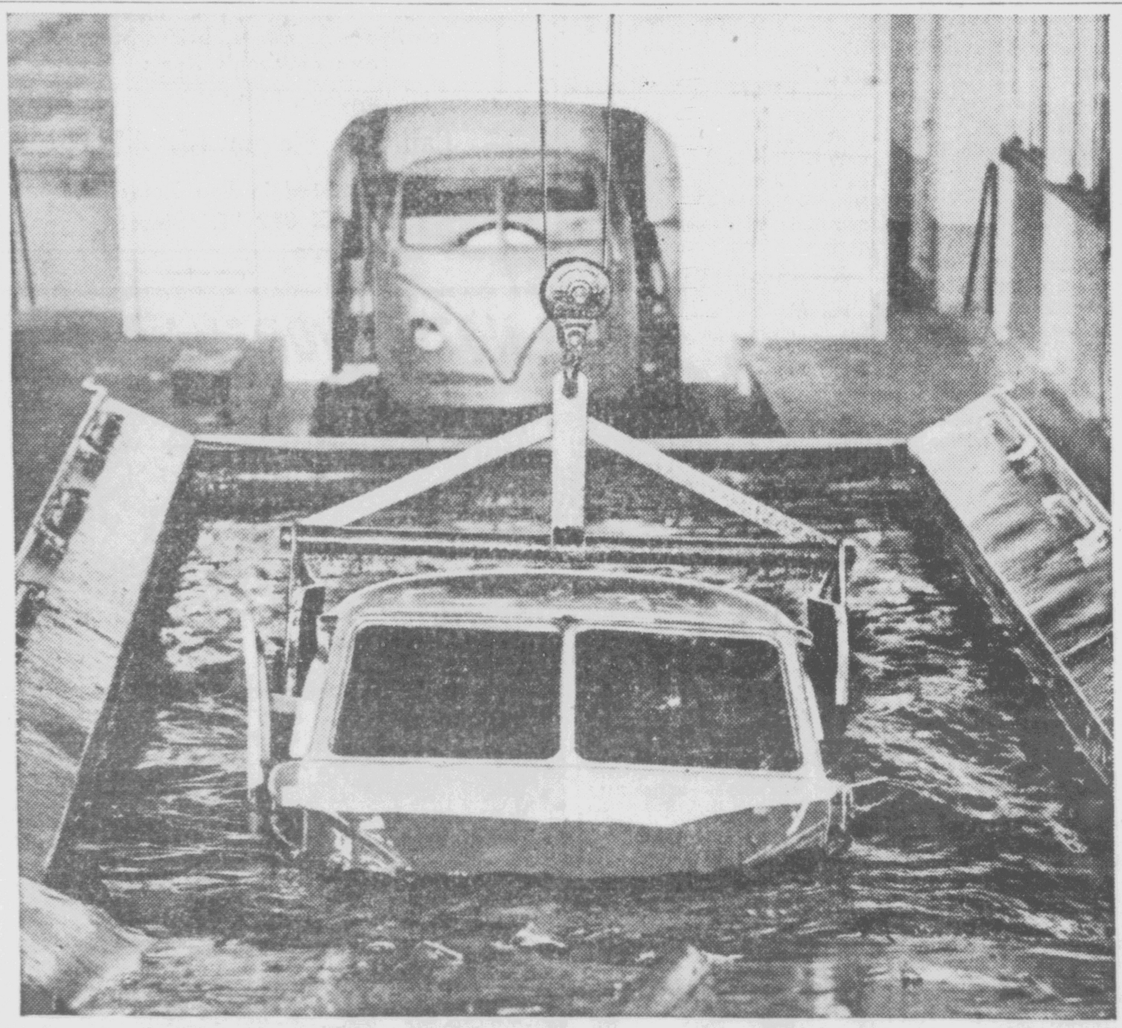
Safety Award Given To Brick Workers

A safety award was presented to the employees of the L. P. McNear Brick Co. of San Rafael yesterday for their outstanding safety record for the period of June 1959 to June 1960.

The award was accepted by plant engineer John McNear from Norval MacDonald, safety engineer of the Industrial Indemnity Co. of San Francisco. MacDonald told employees that their "job injury" record was less than half of the national injury record for plants of that type.



44 pounds of paint protection

Every Volkswagen Truck is fully submerged in a special rust-proofing primer—all the way. Inside, outside, every spot is liberally coated.

Then it's sprayed with paint. Not once, but twice. And again, all the way. Next comes the finish coat. Four coats in all—with hand sanding, compressed air cleaning, and washing and inspection in between—for a smooth, long-lasting, hard finish. In all, 44 pounds of paint are used in a VW Truck.

Why this extra trouble? To assure that your VW Truck will stay young longer. One of hundreds of details where a little extra effort at the factory, saves you money over the years.

How much money? Rather than make any claims ourselves, we suggest you ask the owner of any one of the 110,000 VW Trucks on the American road.

And if you'd like some of the answers in writing, come in for a free copy of our 60-page illustrated booklet, "The Owner's Viewpoint." No obligation, of course.
